An orientation session on “Infosys Springboard” has been conducted on 22-09-2022 for the students of 3rd Year and 4th year CSE by Mrs. Pruthvi Adishesha, Senior Associate Learning, Infosys Limited.

The session was mainly focused on introducing the Springboard platform for the students. Mrs Pruthvi gave a virtual demo on searching various courses, enrolling for the courses, taking quiz, submitting assignments on the platform.

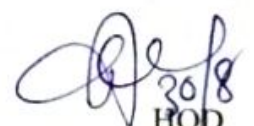

She also explained about the final exam and eligibility for the exam. If a student fail to pass in course test then it will reactivated after 24hours and also the final test can be taken after 15 days in case of not scoring minimum score.

At the end of the session one quiz activity (had some questions on students opinion on the platform) was done so that students will get a live experience of using the platform and discuss any issues faced. Overall 295 students of CSE were attended the training session.

The orientation session on Infosys springboard was very good it helped our students to take varieties of courses and to learn different programming languages which will help our students for placements as well.
