ABOUT THE INSTITUTION

Alva's Education Foundation (AEF) established in 1995 with the vision of our Chairman Dr. M. Mohan Alva has succeeded in making Moodbidri, an Educational hub in the South Canara Region, with more than 25000 students pursuing various courses ranging from primary school to post-graduate courses in social sciences, pure sciences, engineering and management. There are 21 institutions functioning under the Alva's Education Foundation.

Alva's Institute of Engineering and Technology, Moodbidri is a Premier Engineering Institute of Alva's Education Foundation, established in the year 2008. The college is certified to the ISO 9001:2008 standards. The institute offers top quality education in eight under graduate programs in Engineering-AIML, CSD, AGRI, Computer Science, Civil, Electronics & Communications, Information Science, Mechanical Engineering, Three Post Graduate programs- Master of Technology in Thermal Power Engineering, Computer Science & Engineering, VLSI Design Embedded System and Master of Business Administration.

ABOUT THE DEPARTMENT

The Department was started in the year 2008 with an intake of 60 for the undergraduate program. The course has become popular among students due to their achievements and rigor. The department has well qualified, experienced and committed faculty to provide quality industry tuned education to the students. The faculty members regularly participate in Workshops, Faculty development programs and seminars to keep themselves updated with the cutting-edge technologies. Faculty members prolifically publish research papers in renowned journals and conferences. Department has well- equipped laboratories housing state of the art equipment including computer systems with the latest configurations, which are completely networked and the latest software for applications and development areas. The department is affiliated with Visvesvaraya Technological University (VTU), Belagavi.

COURSE CONTENT

- Introduction to Data Analytics
- Learning of R and Python
- Analytics Tools and Techniques
- Introduction to Spark
- How to ingest data with Spark, analyze the Spark UI

VISION

To Impart quality learning and nurture students to become successful technocrats by achieving excellence in information science and engineering field for addressing the evolving needs of the industry as well as the society.

MISSION

M1: To provide quality technical education and research training for preparing competent professionals in the Information technology field.

M2: To provide a suitable infrastructure and environment that inculcates the best engineering practices for the Socio-economic development of society.

M3: To foster the students to become successful technocrats to meet the global competency in the field of IT industry.

M4: To develop entrepreneurship skills with active research and innovation by inculcating ethical values among students.

✓ c) Data that is characterized by volume, velocity, variety, and complexity
d) Data that is processed using big computers

4) What is the purpose of data preprocessing in data analytics?

- a) To make data less accessible b) To remove outliers from the data
✓ c) To transform raw data into a suitable format for analysis d) To encrypt the data

5) Which of the following is an example of structured data?

- a) Text documents b) Social media posts
✓ c) Spreadsheet files d) Images

6) What is Apache Spark primarily used for?

- a) Web development ✓ b) Data analytics and processing
c) Video streaming d) Mobile app development

7) What is the core data structure in Spark for distributed data processing?

- a) DataFrames ✓ b) RDDs (Resilient Distributed Datasets)
c) Data Tables d) DataSets

8) What is the default storage level in Spark?

- ✓ a) Memory_Only B) Disk_Only
C) Memory_And_Disk D) Off_Heap

9) Which programming languages are supported by Apache Spark?

- ☒ a) Java, Python, and Scala b) Java, Python, and C#
c) Java, PHP, and Scala d) Java, Python, and Ruby

10) What is the main advantage of using data analytics tools and software?

- a) They eliminate the need for collecting data. ☒ b) They can process data faster than humans.
c) They don't require any programming knowledge. d) They always provide accurate results.

11) What does the acronym "BI" stand for in the context of data analytics?

- a) Big Information ☒ b) Business Intelligence
c) Basic Insight d) Binary Integration

12) What does the term "lazy evaluation" mean in the context of Spark?

- a) Spark waits for a long time before processing data.
☒ b) Spark doesn't execute transformations until an action is called.
c) Spark processes data as soon as it arrives.
d) Spark executes transformations immediately upon receiving data.

13) Which of the following is NOT a feature of Apache Spark?

- a) Batch processing b) Stream processing
c) Graph processing ☒ d) Word processing

14) What is an RDD?

- ☒ a) A Resilient Distributed Dataset b) A Remote Data Depot
c) A Replicated Database Descriptor d) A Recursive Data Definition

15) Which of the following is NOT a type of transformation in Spark?

- a) map b) filter
☒ c) reduce d) join

“Data Analytics with Spark – Hands On Session”

The Department of Information Science and Engineering organized a 5 days Certification program on “**Data Analytics with Spark – Hands On Session**” from 23rd Aug to 27th Aug 2022. The certification course was inaugurated by the resource person, **Mr.Vignesh Shetty**, **Software Developer, IBM India Private Limited, Bengaluru** Prof. Sudheer Shetty, Associate Professor and Head and Program coordinator Mr.Jayantkumar A Rathod. A total of 125 students participated in this certification course program.

The resource explained the students about Data analytics and its importance in present day applications. He gave a brief insight about Python and R-Programming. He also highlighted about the various tools and techniques used in Big Data analytics. Then he explained the students about Spark and its importance in Data Analytics. He explained about how to ingest data with Spark and analyse the Spark UI. The session was completely Hands-On session which helped the students to understand data analytics concept in depth. Finally the HoD thanked the resource person on behalf of entire department for sharing his thoughts on Data Analytics with Spark to our beloved students and helping them to enhance their knowledge.

Appreciation Letter

27th August, 2022

Mr. Vignesh Shetty
Software Developer,
IBM India Private Limited, Bengaluru.

Sub: Letter of Appreciation

Dear Mr. Vignesh,

On behalf of Management, the Principal, and the Department of Information Science & Engineering, we would like to express our sincere gratitude for holding the workshop on "**Data Analytics with Spark – Hands On Session**" from 23rd to 27th August 2022.

The certification course was informative, knowledgeable and thought-provoking. It was a truly wonderful hands-on experience that exposed students to data analytics and spark. Your opinions on this topic were valued and benefited by all of the students.

The College and the Department appreciates your time, dedicated effort for conducting the workshop, and contribution in improving the well-being of the participants. We thank you very much for accepting our request and doing the needful. We look forward to work with you in the future endeavors.

Thanking you,

Yours sincerely,

HoD
