To,
The Principal
AIET, Mijar

Respected Sir,

Subject : Conducting Certification Programme on "**Infosys Springboard Certification Course**"

With reference to the above subject I would like to bring to your kind notice that the department ha planned to organize five days Certification programme on "**Infosys Springboard Certification Course**" from 22nd to 26th Sep 2022. Resource person for this student development / certification programme is **Ms.Pruthvi Adishesha , Senior Associate , Learning - ETA, Infosys Limited, Bengaluru**. Participants for this certification programme are students of final year. (7th Semester)

Kindly consider our request and do the needful for further processing.

Thanking You Sir,

Coordinator

REPORT

ON

"INFOSYS SPRINGBOARD ONLINE CERTIFICATION COURSE"

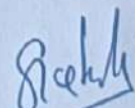

The Department of Information Science & Engineering organized online certification programme for our final year students from 22nd to 26th Sep 2022 on "online Infosys Springboard certification course". The Head of the Department, Prof. Sudheer Shetty, welcomed the resource person on behalf of all students and staff. The participants of the certification programme were final year students. The session was mainly focussed on addressing the Springboard platform and various courses involved in it. She gave a virtual demo on how to enrol for online certification course, submitting the assignments and taking quiz. She also explained about criteria for taking final exam and minimum marks required for getting a certificate.

A total of 57 students from our department participated in it. Resource person briefed about how to use the Infosys springboard platform effectively to improve their learning. At the end quiz was conducted to understand how much concept they have understood. All students completed various course of duration ranging from 35 to 120 Hours and obtained certificate. A sample of few certificates have been included in the report.

Finally, Prof. Sudheer Shetty thanked the resource person Ms. Pruthvi Adishesha, for highlighting the students about Infosys Springboard certification courses which enhanced the knowledge and exposed them to various industry oriented courses. An appreciation letter was provided to her from the department.

Appreciation Letter

26 – Sep- 2022

Ms. Pruthvi Adishesha
Senior Associate , Learning - ETA
Infosys Limited, Bengaluru.

Dear Ms.Pruthvi Adishesha

On behalf of Management, the Principal, and the Department of Information Science & Engineering, we would like to express our sincere gratitude for holding the Certification course awareness on “**Infosys Springboard – Online Certification Course**” from 22nd to 26th Sep 2022.

The certification course was informative, knowledgeable and thought-provoking. It was a truly wonderful hands-on experience that exposed students to various Infosys online certification course which helped them take their courses online and obtain the certificate.. Your opinions on this topic were valued and benefited by all of the students.

The College and the Department appreciates your time, dedicated effort for conducting the course, and contribution in improving the well-being of the participants. We thank you very much for accepting our request and doing the needful. We look forward to work with you in the future endeavors.

Thanking you,

HoD

ABOUT THE INSTITUTION

Alva's Education Foundation (AEF) established in 1995 with the vision of our Chairman Dr. M. Mohan Alva has succeeded in making Moodbidri, an Educational hub in the South Canara Region, with more than 25000 students pursuing various courses ranging from primary school to post-graduate courses in social sciences, pure sciences, engineering and management. There are 21 institutions functioning under the Alva's Education Foundation.

Alva's Institute of Engineering and Technology, Moodbidri is a Premier Engineering Institute of Alva's Education Foundation, established in the year 2008. The college is certified to the ISO 9001:2008 standards. The institute offers top quality education in eight under graduate programs in Engineering-AIIML, CSD, AGRI, Computer Science, Civil, Electronics & Communications, Information Science, Mechanical Engineering, Three Post Graduate programs- Master of Technology in Thermal Power Engineering, Computer Science & Engineering, VLSI Design Embedded System and Master of Business Administration.

and Technology, Moodbidri**

**05 Days Online Certification
Program
On**

**"Online Infosys Springboard
Certification Course"**

From 22nd Sep to 26th Sep 2022

Organized by

**Department of Information
Science and Engineering**

ABOUT THE DEPARTMENT

The Department was started in the year 2008 with an intake of 60 for the undergraduate program. The course has become popular among students due to their achievements and rigor. The department has well qualified, experienced and committed faculty to provide quality industry tuned education to the students. The faculty members regularly participate in Workshops, Faculty development programs and seminars to keep themselves updated with the cutting-edge technologies. Faculty members prolifically publish research papers in renowned journals and conferences. Department has well- equipped laboratories housing state of the art equipment including computer systems with the latest configurations, which are completely networked and the latest software for applications and development areas. The department is affiliated with Visvesvaraya Technological University (VTU), Belagavi.

COURSE CONTENT

- Programming in JAVA
- Data Structures and Algorithms
- DBMS
- Introduction to NoSQL
- Software Engineering Concepts

VISION

To Impart quality learning and nurture students to become successful technocrats by achieving excellence in information science and engineering field for addressing the evolving needs of the industry as well as the society.

MISSION

M1: To provide quality technical education and research training for preparing competent professionals in the Information technology field.

M2: To provide a suitable infrastructure and environment that inculcates the best engineering practices for the Socio-economic development of society.

M3: To foster the students to become successful technocrats to meet the global competency in the field of IT industry.

M4: To develop entrepreneurship skills with active research and innovation by inculcating ethical values among students.

PROGRAM SCHEDULE

23-Sep-2022

Session 3:	09.00 am to 11:00 am
Tea Break:	11.00 am to 11.20 am
Session 4:	11.20 am to 01.00 pm
Lunch Break:	01:00 pm to 02:00 pm
