

QUALITY INDICATOR FRAMEWORK (QIF)

1.2.3: Average percentage of students enrolled in Certificate/Add-on programs as against the total number of students during the academic year 2022-23.

AJET invites the students to enroll in the various Certificate/ Add-on programs to enhance their skill to be industry ready. A good number of students register for these courses every year to enhance their technical skills and to fill the curriculum gap between industry and academia. An average of 59.90 % of students have enrolled for Certificate/Add-on programs for the academic year 2022-23.

Details of students enrolled for Certificate programs and Add-on courses conducted during the academic year 2022-23 are shown in the following table.

Sl. No	Academic Year	Number of add on /certificate programs offered	Total number of students enrolled	Total number of students across all programs	Average Percentage of students enrolled
1	2022-23	12	1361	2272	59.90 %
