**Report
on
AVANI – KESARD ONJI DINA**

27th November 2022

From,

Dr. Manjunath H.R
Associate Professor - ISE
Event Coordinator
AIET, Mijar.

To,

The Principal
A.I.E.T,
Mijar

Through,

H.O.D
Dept of ISE, A.I.E.T Mijar

Respected Sir,

Sub: Proposal for conducting Avani – kesard onji dina - regarding

We here by propose to conduct a social activity called as “AVANI – KESARD ONJI DINA” for students of AIET on 27th November 2022. The objective this event is to raise fund for charitable cause to meet the necessity of needy people in the society.

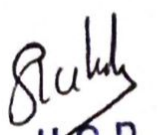

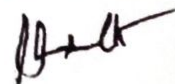

Kindly permit us to conduct this social event and also we seek your suggestions and cooperation in this regard.

Thanking you,

Place: AIET, Moodbidri

Date: 01-11-2022

Yours Sincerely

H.O.D.

“AVANI – KESARD ONJI DINA”
2022-23

(27th November 2022)

Today, Agriculture is considered the most important but highly deprived sector. Most of the farming community belongs to the rural part of the country. There are many challenges faced by farmers such as predicting the climatic changes, selection of the right crop, alternate crop solutions, and so on. To minimize these challenges, Information Technology plays a vital role with the available technology options. The seamless application of Information Technology would help the technologically un-savvy Farming community to produce the needed economically beneficial crop. With the motive of creating awareness amongst the farmers on the available technologies and for the students to understand the gross root level of the agricultural sector, ISE Department forum, “Techgeekz”, conducted a splendid event ‘Avani- Kesard Onji Dina’ on 27th November 2022 at Vishnumurthi temple. The event was traditionally inaugurated by Chief Guest, Mr. Saiyeesh chouta, Chief officer town panchayat kinnigoli, Principal, Dr. Peter Fernandes, Prof. Sudheer Shetty HOD, Forum coordinator Dr. Manjunath H R and student coordinator Bhuvan. Principal said that, such events aptly convey the significance of conserving the nature with utmost care for the future generations. He also focused on traditional mud games and its importance.

H.O.D.
Dept. Of Information Science & Engineering
Alva's Institute of Engg. & Technology
Mijar, MOODBIDRI - 574 225

The whole arena was set for the event, by the students of ISE, a day earlier, with the help of coordinators of AIET. The faculties of ISE and other departments set the pace for mud sports events, by beginning with the running race competition. Many other sports events were conducted like Volleyball, Kabaddi, Throw ball, Treasure Hunt, Three Leg Race, Uppu moote Race, paaley Race and Football. More than 500+ Students participated actively in the event.

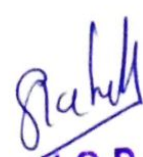

With the noble goal of honouring those who have achieved significant success in the world of agriculture, we presented them with traditional mementos

All of the events were well-coordinated, and the event was a huge success, with even us receiving awards.

Event Outcome:

- Students were benefitted with tremendous exposure in interpersonal skills, team spirit, time management and delegating.
- Students have understood the gross root level of the agricultural sector.
- Students have gained the knowledge on the life style of the farming community and the rural part of the country.
- Farmers have gained the awareness on how Information Technology plays a vital role to minimize these challenges such as predicting the climatic changes, selection of the right crop, alternate crop solutions, and so on, with the available technology options.
