## Overview

Alva's Institute Of Engineering & Technology (AIET) is a premier Engineering Institute of Alva's Education Foundation established in the year 2008. AIET is strategically located adjacent to Moodbidri -Mangalore National Highway, which is 24 Kms from Mangalore International Airport.

It has a lush green campus spread over 30 acres; a part of ALVA'S SHOBHAVANA, 144 acres spread on a famous herbal garden with more than two thousand varieties of herbal plants.

ARMY WING NCC at Alva's Institute of Engineering & Technology is affiliated to No. 18 Kar BN NCC, Mangalore in the year 2021. Strength of cadets is 62.

## 1.Aims

- To develop qualities of character, courage, comradeship, discipline, leadership, secular outlook, spirit of adventure and sportsmanship and the ideals of selfless service among the youth to make them useful citizen.
- To create a human resource of organized trained and motivated youth to provide leadership in all walks of life including the Armed Forces and be always available for the service of the nation.

## 2.Motto

The need for having motto for the Corps was discussed in the 11th Central Advisory Committee (CAC) meeting held on 11 Aug 1978. The mottos suggested were "**Duty and Discipline**"; "**Duty, Unity and Discipline**"; "**Duty and Unity**"; "**Unity and Discipline**". The final decision for selection of "Unity and Discipline" as motto for the NCC was taken in the 12th CAC meeting held on 12 October, 1980.

## 3.Oath

"I do hereby solemnly promise that I will serve my motherland most truly and loyally and that, I will abide by the rules and regulations of the National Cadet Corps. Further under the command and control of my commanding officer I will participate in every camp most sincerely and wholeheartedly".

## **4. Pledge**

We the cadet of the national cadet corps, do solemnly pledge that we shall always uphold the unity of India. We resolve to be disciplined and responsible citizen of our nation. We shall undertake positive community service in the spirit of selflessness and concern for our fellow beings.

## **5. Objectives of NCC**

1. Reach out to the maximum youth through various institutions.
2. Make NCC as an important part of the society.
3. Teach positive thinking and attitude to the youth.
4. Become a main source of National Integration by making NCC as one of the greatest and strong united forces of our nation irrespective of any caste, creed, religion or region.
5. Mould the youth of the entire country into a united, secular and disciplined citizens of the nation.
6. Provide an ideal platform for the youth to showcase their ability in nation building.
7. Instil the spirit of secularism and united India by organizing National Integration Camps all over the country.
8. Reach out to the youth of friendly foreign countries through Youth Exchange Programmes

## **6. History of NCC**

The Cadet Corps Committee which was formed on 29 Sep 1946 with Pt HN Kunzru as chairman held six meetings in South Block, New Delhi. At the same time, Pt HN Kunzru formed sub-committees which were sent on study tours in all the main provinces of pre-independent India including provinces which are now located in Bangladesh and Pakistan. One sub-committee was also sent on tour to Great Britain and France from 15 Feb 1947 to 31 Mar 1947 to study the Youth and Cadet organisations in those countries.

The Cadet Corps Committee carried out exhaustive study of the problem of youth in India. Its sub-committees after their tour at home and abroad submitted their report to the Govt of India in Mar 1947. Soon after the report was submitted, a far-reaching political development began to impact the country, due to which the Cadet Corps Scheme had to be kept in abeyance. The religious strife which then was at its zenith, ultimately led to the partition of the country into

India and Pakistan. On the stroke of midnight of 14/15 Aug 1947, India achieved her independence. Immediately after independence, India was confronted with problems of formidable magnitude concerning not only repatriation of millions of displaced persons from Pakistan but also a full-scale invasion of Kashmir by the armed tribesmen supported by Pakistan.

The armed forces had to rush to retrieve Kashmir at a time when they were already pre-occupied with the internal problem of maintaining law and order during the country's initial stage of consolidation. The war in Kashmir and the consequent loss of a portion of Indian territory; the open support of Western Powers to Pakistan in the Security Council of the United Nations, made it more than evident to the Indian leaders that they not only had to strengthen the Armed Forces but also create sufficient strength of reserves, who could take up arms, when required. The gravity of time and event found expression in the Indian Legislature through anxious and pressing demand for military training of young men and women throughout the country.

At this juncture, Prime Minister Pt Jawahar Lal Nehru at the behest of Sardar Baldev Singh, the then Defence Minister and Sardar Vallabhbhai Patel, then Home Minister, took out the Kunzuru Committee Report for a serious study from the shelves of the Defence Department. On 05 Dec 1947, after being approved by the Defence Committee the copy of the Cadet Corps Committee Report was sent to the Chief Secretaries and Chief Commissioners of all Provincial Govts (now called State Govts) for their comments. The consent of Provincial Govts was required because they were responsible for the administration of the educational institutions in their respective provinces and thus the success of the Cadet Corps scheme largely depended on their initiative. Replies received from the provinces in Jan 1948, show that they all agreed in principle with the Cadet Corps Scheme submitted by the Kunzuru Committee.

**The event witnessed various initiatives and activities aimed at addressing this critical issue.**

**Awareness Campaigns:**

**Social Media Campaigns:** Numerous organizations, governmental bodies, and NGOs launched extensive social media campaigns using hashtags such as #DrugFreeWorld, #SayNoToDrugs, and #EndDrugTrafficking. These campaigns aimed to reach a wide audience, spread awareness about the dangers of drug abuse, and educate individuals about available support systems.

**Educational Programs:** Schools, colleges, and community centers organized seminars, workshops, and awareness sessions to educate students and young adults about the consequences of drug abuse. These programs focused on prevention strategies, highlighting the benefits of a healthy and drug-free lifestyle.

**Public Service Announcements (PSAs):** Television and radio stations, as well as online platforms, aired PSAs featuring influential personalities, recovering addicts, and their families. These messages emphasized the impact of drug abuse on individuals, families, and communities, while also providing information about available rehabilitation and counseling services.

### **Government Initiatives:**

**Law Enforcement Operations:** Governments around the world collaborated with law enforcement agencies to conduct large-scale operations against drug traffickers. These efforts aimed to disrupt supply chains, seize illicit substances, and dismantle drug networks involved in the trafficking and distribution of drugs.

**Strengthening Border Controls:** Governments focused on strengthening border control measures to prevent the illegal movement of drugs across international borders. This involved increased surveillance, enhanced technology, and cooperation with international organizations to share intelligence and coordinate efforts.

**Rehabilitation and Treatment Centers:** Governments invested in the establishment and improvement of rehabilitation and treatment centers to provide comprehensive support for individuals struggling with drug addiction. These centers offered counseling, detoxification programs, and medical assistance to aid in recovery.

### **Community Engagement:**

**Public Events:** Communities organized rallies, marches, and public gatherings to show solidarity against drug abuse and illicit trafficking. Participants included recovering addicts, community leaders, law enforcement officials, and members of various organizations committed to addressing the issue.

**Community Workshops:** Non-profit organizations and community groups conducted workshops on drug abuse prevention, early intervention, and support for families affected by substance abuse. These workshops encouraged open discussions, sharing personal experiences, and providing guidance on seeking help.

**Volunteer Drives:** Volunteers dedicated their time to reaching out to vulnerable populations, distributing informational materials, and offering assistance to those in need. These volunteers played a crucial role in spreading awareness, providing support, and connecting individuals with the necessary resources.

### **Conclusion:**

The International Day Against Drug Abuse and Illicit Trafficking 2023 witnessed a multitude of initiatives, campaigns, and events focused on raising awareness about the dangers of drug abuse and combating the illicit drug trade. Through educational programs, governmental efforts, and community engagement, significant strides were made in promoting a drug-free world and supporting those affected by substance abuse. However, the fight against drug abuse and illicit trafficking is an ongoing battle that

requires continued collaboration between governments, organizations, communities, and individuals to create a society free from the devastating effects of drugs.

### Event: “World Environment Day”

Date: 30/06/2023	Venue: AIET, Mijar
Coordinator : Prof Kiran C H, AIET	

#### Introduction.

On June 30, 2023, in observance of World Environment Day, a guest talk focused on waste management and plastic awareness was organized to highlight the urgency of addressing these critical environmental issues. The event aimed to raise awareness, educate the audience about the impact of waste and plastic pollution, and promote sustainable practices to mitigate their adverse effects

#### Objectives

To raise awareness about the importance of World Environment Day and inspire individuals to take action for a sustainable future.

#### Guest Speaker

**Mr Jeeth Milan Roche**

**Social Entrepreneur and Environmentalist**

Mr Jeeth Milan Roche of Mangaluru spearheading pro environment initiatives in the city. He is awarded the AICU Centenary Environment Award.

Mr Jeeth Milan Roche, who is also the Founder of Mangalore Green Brigade is on a mission to Mangaluru environmental and green City. Roche claims to have planted more than 18,000 saplings across the city. Whether it is the 700 plants in Aloysius College in Mudipu, 2,400 plants at Nandigudda

cemetery, lining National Highway 48 between Padil and B.C. Road, over 3000 saplings at Pachanady dump yard, Roche has played a crucial role in the afforestation drive.

### Summary of Guest Speaker

Mr Jeethe Milan Rochee, Social Entrepreneur and Environmentalist discussed the growing concerns related to **improper waste disposal**. He explained the environmental, social, and economic consequences of unregulated waste practices. Dr. Jeethe shared insights into **effective waste management strategies, such as recycling, composting, and waste-to-energy initiatives**. He emphasized the importance of implementing comprehensive waste management systems at individual, community, and governmental levels.

Also a passionate advocate for **reducing plastic pollution**, shed light on the alarming levels of plastic waste contaminating our ecosystems. He highlighted the detrimental impact on marine life, ecosystems, and human health. Mr. Jeethe shared examples of successful plastic waste reduction initiatives, such as plastic bag bans, alternative packaging materials, and extended producer responsibility programs. He urged individuals to take responsibility for their plastic consumption habits and actively support efforts to minimize plastic waste

### Conclusion

The guest talk on World Environment Day successfully highlighted the significance of **waste management and plastic awareness in preserving our environment**. The speakers' presentations fostered an understanding of the environmental consequences associated with poor waste practices and plastic pollution. It is hoped that the event sparked a sense of responsibility and motivated individuals to adopt sustainable practices, reduce plastic consumption, and actively participate in waste management initiatives. By implementing the suggested actions, we can collectively contribute to a cleaner, healthier, and more sustainable future

### Key Themes Explored:

- The environmental impact of improper waste management practices.
- The consequences of plastic pollution on ecosystems and human health.
- Effective waste management strategies, including recycling and composting.
- Promoting plastic awareness and encouraging responsible consumer choices.
