### **SRISTI Club Report (Feb 2023)**

#### **MASSIVE OCEAN CLEANUP PROGRAM**

**Venue:** Sasihitlu beach hejamdi, Mukka

**Date:** 26/2/2023

**OBJECTIVES:** Is to engage people around the world to remove trash and debris from beaches, waterways and other water bodies, to identify the sources of the litter, to change behaviors that causes pollution and to raise awareness on the extent of the marine debris problem.

**DETAILS:** Members of SRISHTI participated in **Massive Ocean Cleanup** Program on 26/12/2023, which was supported by Young India and Mantra Surf Club, Mulki. Total **41 student members of SRISHTI** along with the 40 NCC volunteers were a part of this massive ocean cleanup program. The student members collected the thrash along the sea shore and segregated them.

On this auspicious occasion the participants were made aware of the need of beach cleaning in the current times and different causes that are causing pollution in the ocean. And they were also informed about how to keep the ocean clean. The student members collected the thrash along the sea shore and segregated them.

Faculty coordinator from SRISHTI club **Prof. Roshan Shetty** and **Trustee Mr. Vivek Alva** graced the occasion.

#### **OUTCOMES:**

- Awareness among students community is created about need of clean sea shores.
- Sorted out what can be recycled and composted waste—it makes a real difference.
- Great way to make new friends & build relationships with people who are about the environment.
- Beach cleaning makes sea food safer.

## FEEDBACK

"It's Sunday morning and I don't feel like getting up" – This is what most of the students think and I am no different. But something struck me that morning and I woke up straight out of bed. I was to participate in the beach cleanup drive as part of an SRISTI-Club engagement activity organized Club in-charge. By the end of it, we were all satisfied that we could contribute towards the environment and thankful to the foundation for providing such opportunities on a regular basis".

By: Sneha U B, 4<sup>st</sup> year CSE

"It was overwhelming experience for the 40 of us to partake in the drive with so many like minded students. It was a great opportunity to interact with all of them and work as a cohesive unit during the activity. We were allotted an area on the beach for cleanup and were provided gloves and other accessories for the activity. Our task was to dig into the sand and collect the plastic in a bag post removal of sand".

By: Jeevan C N, 4<sup>th</sup> year ECE

"By the end of it, we were all satisfied that we could contribute towards the environment and thankful to the foundation for providing such opportunities on a regular basis. The participation of senior management acted as a huge motivation factor for all of us".
