ACKNOWLEDGEMENT

The satisfaction and euphoria that accompany a successful completion of any task would be incomplete without the mention of people who made it possible. Success is the epitome of hardwork and perseverance, but steadfast of all is encouraging guidance. So, with gratitude, we acknowledge all those whose guidance and encouragement served as beacon of light and crowned the effort with success. We thank our Subject Faculty Mr. NAGESH U B , Assistant Professor in the Department of Infomartion Science & Engineering, who has been our source of inspiration. He has been especially enthusiastic in giving his valuable guidance and critical reviews.

I sincerely thank Mr.Venugopal Rao A S, Professor and Head of the Department of Computer Science & Design Engineering who has been the constant driving force behind the completion of the group task.

I thank our beloved Principal, Dr.Peter Fernandes, for his constant help and support throughout.

I am indebted to the Management of Alva's Institute of Engineering and Technology, Mijar, Moodbidri for providing an environment that helped us in completing our internship. Also, I thank all the teaching and non-teaching staffs of the Department of Computer Science & Design Engineering for the help rendered.
