ACKNOWLEDGEMENT

The satisfaction and euphoria that accompany a successful completion of any task would be incomplete without the mention of people who made it possible, success is the epitome of hard work and perseverance, but steadfast of all is encouraging guidance.

So, with gratitude we acknowledge all those whose guidance and encouragement served as beacon of light and crowned the effort with success.

We thank our Subject faculty **MR. PRASHANT KUMAR**, Assistant Professor, Department of Computer Science & Engineering, who has been our source of inspiration. She has been especially enthusiastic in giving her valuable guidance and critical reviews.

We sincerely thank, **Dr. Manjunath Kotari**, Professor and Head, Department of Computer Science & Engineering who has been the constant driving force behind the completion of the group task.

We thank our beloved Principal **Dr. Peter Fernandes,** for his constant help and support throughout.

We are indebted to **Management of Alva's Institute of Engineering and Technology, Mijar, Moodbidri** for providing an environment which helped us in completing our group task in Database Management System.

Also, we thank all the teaching and non-teaching staff of Department of Computer Science & Engineering for the help rendered.
