Department of Agriculture Engineering

Action Taken Report

Date: 4/8/2023

The Department of Agriculture Engineering values the comments made by faculty members and students to improve the curriculum and make it more need-based research and job-oriented. We have addressed all of the suggestions made, and the measures have been taken in this regard to enhance the knowledge of students. Action taken is listed in the table below as shown.

Key Feedback Response	Action taken
Need certification course on latest technology related to agriculture with hands on session.	Department initiated to conduct Certification Course on "Remote Sensing and GIS software"
Micro projects to be implemented in 2 nd year	All students will be doing micro projects during 2 nd year
More practical exposure are required to understand the syllabus	Planned industrial visit to Buhler India, Megha Fruit processing plant and Mangalore Chemicals and Fertilizer Limited
Placement oriented activities	Soft skill training and knowledge of industry oriented tools will be provided to students through placement department.
