A+, Accredited by NAAC & NBA (ECE & CSE)

QUALITY INDICATOR FRAMEWORK (QIF)

2.3.1

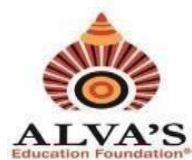

Student centric methods such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The Institute focuses on providing technical knowledge that develops critical thinking and allows students to enhance their creative imagination. The institution uses student-centric teaching strategies to improve students' learning opportunities and execute outcome-based education (OBE). These strategies include value-added labs, e-resource libraries, industrial visits, internships, placement-related learning, workshops, technical talks etc.

Student centric methods

- Experiential learning
- Participative learning
- Problem solving methodologies
