

2.6.1 Programme and Course Outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students

The Institute follows Outcomes Based Education (OBE) system as directed by affiliating University (VTU), which is in line with the AICTE guidelines.

Course Outcomes (Cos) for all Programmes

As per affiliated university syllabus there are two different schemes are running viz.,

- CBCS 2018,2021 and 2022 Scheme for UG Programmes
- CBCS 2021 Scheme & CBCS 2022 Scheme for PG Programmes

Process of defining/revising Course Outcomes involves

- Department Heads initiate the process by the Circular
- Course Teacher has to prepare 3-6 Course Outcomes (Cos) for each course.
- The Cos is defined as per the balanced CO-PO matrix provided by the departmental the member of IQAC.
- Further, the COs are framed as per the well-defined and developed checklist by the course teacher including the CO-PO/PSO mapping, and the justification behind each mapping.
- Moreover, the assessment tools are also mentioned by the course teacher, and all these are validated by the Module Coordinator/IQAC Member.
