To  
The Head of the Department  
AIET, Mijar, Moodbidri.

Through,  
The Principal  
AIET, Mijar, Moodbidri.

Sir,

A blood donation camp is jointly being organized by NSS units of AIET, AHMS, & ACNYS and NCC (Army wing), AIET, on 05.01.2023, at AIET campus. In this regard, the NSS & NCC volunteers will visit your department to motivate the students & collect the donors' details and hence they may kindly be permitted to visit all the class rooms from 02.01.2023, onwards.

Thanking you,

(Suresh P S)  
NSS Program Officer

#### 14. Blood Donation Camp on 05.01.2023

As blood banks in Dakshina Kannada ran out of supplies, the Indian Red Cross Society (IRCS), Mangalore took the initiative by contacting Alva's Institute of Engineering and Technology, Mijar, which is always at the forefront of such social connect programs. Within a short span of two days from the day of the request by IRCS, the YRC, NSS and NCC units of AIET, in association with Alva's Homoeopathic Medical College and Alva's College of Naturopathy and Yogic Sciences, jointly organized the blood donation camp at AIML Lab, AIET, on January 5, 2023.

The camp was inaugurated by Dr. J. N. Bhat, Medical Officer, IRCS Blood Bank, in the august presence of Sri Vivek Alva, Managing Trustee, AEF, and the Principal, Dr. Peter Fernandes. Dr. J. N. Bhat, addressed the gathering and explained how such camps help meet medical emergencies with statistical information and how crucial the camp arranged for them is. According to their requirement, IRCS collected 150 units of blood, and 32 units were collected by Alva's Rotary Blood Bank, Moodbidri, which was also invited on the day of the event.

**Outcome:** The volunteers learned to accomplish the major responsibilities, like campaigning the event and motivating the students to donate blood, preparing and displaying posters and banners, arranging the venue according to the blood bank requirements, arranging the stage for the inauguration, arranging the food facility for the doctors and staff, maintaining the donors' records for future needs, and so on. They also learned about human values, civic sense, social commitment, duties, and responsibilities.
