10. Blood Donation camp at Ashwathapura on 04.09.2022

With an objective to address the critical need for blood in local hospitals and medical facilities, promote voluntary blood donation, and create awareness about the life-saving impact of donating blood a blood donation camp was held at Ashwathapura. The event was organized in collaboration with KMC-Mangalore, Lions Clubs of Muchuru and Kallamundkuru, and various local organizations.

The blood donation camp commenced at 9:00 AM. The volunteers joined their hands in setting up the donation area, waiting and resting area for the donors, organizing the medical equipment, the registration process and the issue of donor certificates. Volunteers also monitored the donors' well-being and offered support if required. The blood donation camp concluded at 2:00 PM.

Outcome: The blood donation camp at Ashwathapura generated significant results in terms of voluntary blood donations and community involvement. A total of 82 donors came forward to donate blood. The event also succeeded in raising awareness about the importance of blood donation, dispelling myths and misconceptions, and encouraging a culture of voluntary blood donation within the community. The volunteers imbibe a sense of civic responsibility, learn to work in a team, practice organizational and time management skills, develop leadership skills, and develop empathy and compassion.
