A Report on

VARISHTA KREEDAKOOTA

ACADEMIC YEAR: 2022-23

REPORT ON VARISHTA KREEDAKOOTA -2022-23

Objective :

- 1) Traditional sports events help preserve and promote cultural heritage. They often showcase activities that have been passed down through generations and are integral to a community's identity.
- 2) Traditional sports events provide opportunities for people, especially the younger generation, to learn about their cultural history, values, and customs
- 3) To improve the physical & mental strength of students

A sequel of the most awaited event "Varishta Kreedha Koota" which is a collection of traditional games of different parts of India which are vanishing from the land are recalled once again by Alva's Education Foundation (AEF) students which were organized by the Department of Mechanical Engineering Forum team "Mech Meastroes" at Alva's Institute of Engineering Campus on 21/01/23 & 22/01/23.

Dr. Kurian , Principal Alvas Degree college Moodabidri, who inaugurated the event, called upon the young students to focus on preserving the ancient culture of the country by continuing playing rural sports and games. Modern games like cricket and football should not take away the shine of the rural games, he added.

During the inauguration function, Dr. Peter Fernandes, Principal AIET, Dr. Satyanarayan, HOD Mech Engineering, Prof. Hemanth Suvarna Forum coordinator and Mr. Nandan Hegde MechMaestroes president were present.

The day has provided that, Victory is not the sole intention, but the spirit of playing together.

A total of around 400 students have participated in the games & related activities . A core team comprising of 22 students have involved in execution of this program.

Out come of the event :

Students have enjoyed & learned our traditional games , they realized the importance of sportsmanship in their daily life
