MEMORANDUM OF UNDERSTANDING

BETWEEN

**V&G INDUSTRIAL TESTING LABORATORIES PVT. LTD.
INDUSTRIAL AREA, BAIKAMPADY,
MANGALORE - 575011**

AND

**ALVA'S INSTITUTE OF ENGINEERING AND TECHNOLOGY (AIET)
MIJAR, MOODBIDRI, MANGALORE - 574 225**

Memorandum of Understanding

This Memorandum of Understanding (MOU) is made on **February 24, 2020** between **V&G Industrial Testing Laboratories Pvt. Ltd.**, of Plot No. 323 G(P), Industrial Area, Mangaluru, Karnataka 575028 and **Alva's Institute of Engineering and Technology (AIET)**, Shobhavana Campus, Mijar - 574 225, Moodbidri, Mangalore, hereinafter referred to as V&G for the purpose of achieving the various aims and objectives relating to the Training and Certification Courses on NDT techniques (the Project).

WHEREAS AIET and V&G desire to enter into an agreement in which AIET and V&G will work together to complete the Project;

AND WHEREAS AIET and V&G are desirous to enter into a **Memorandum of Understanding** between them, setting out the working arrangement that each of the partners agree are necessary to complete the Project;

Purpose

The purpose of this Memorandum is to provide the framework for any future binding contract regarding the Training and Certification Courses on NDT techniques between AIET and V&G.

Obligations of the Partners

The Partners acknowledge that no contractual relationship is created between them by this Memorandum, but agree to work together in the true spirit of partnership to ensure that there is a united visible and responsive leadership of the Project and to demonstrate the financial, administrative and managerial commitment to the Project by means of the following individual services.

Cooperation

The activities and services for the project shall include, but not limited to

a. Service to be rendered by AIET include:

- i. Provide publicity among students of AIET regarding the Training and Certification Courses in NDT provided by V&G.
- ii. Arrange workshops for students to undergo NDT training by V&G.
- iii. Provide platforms for V&G to interact with AIET student community regarding NDT services offered, during AIET Tech Fest and other Collegiate events.
- iv. Encourage faculty members to seek services of V&G for their research requirements pertaining to structural integrity analysis.

b. Services to be rendered by V&G include:

- i. Depute personnel as resource persons to engage in workshops on NDT for students of AIET.
- ii. Provide technical assistance in academic projects of students from AIET.
- iii. Facilitate industrial visits and training for students and faculty members AIET.
- iv. Depute resource persons to engage in Classroom teaching for students of AIET on topics related to material testing and analysis.

Resources

The partners will endeavour to have final approval and secure resources necessary to fulfil their individual contributions at the start of the planning for the Development of the Project.

a. AIET agrees to provide the following financial, material and labour resources in respect of the Project;

i. Honorarium and allowances in accordance to the norms of the Institution (AIET) will be provided to resource persons engaging in workshops, training, and classroom teaching at AIET Campus.

ii. Arrangements to display promotional materials of V&G in AIET campus during Tech Fest and other college events.

b. V&G agrees to provide the following financial, material and labour resources in respect of the Project;

i. V&G will depute resource persons to engage in training, workshops, and classroom teaching of NDT techniques for students of AIET.

ii. V&G will permit industrial visits for students and faculty of AIET at mutually agreed upon schedule.

iii. V&G will provide concessions for AIET students and faculty seeking NDT services, for their academic purposes only, in accordance to the norms of V&G.

Liability

No liability will arise or be assumed between the Partners as a result of this Memorandum.

Term

The arrangements made by the Partners by this Memorandum shall remain in place from February 24, 2020 until February 24, 2028, at the end of which on review, term can be extended only by agreement of both the partners.

Understanding

It is mutually agreed upon and understood by and among the Partners of this Memorandum that:

a. Each Partner will work together in a coordinated fashion for the fulfilment of the Project.

b. In no way does this agreement restrict involved Partners from participating in similar agreements with other public or private agencies, organizations and individuals.

c. This Memorandum is not intended to and does not create any right, benefit, or trust responsibility.

d. This Memorandum will be effective upon the signature of both Partners.

e. Any Partner may terminate its participation in this Memorandum by providing written notice to another Partner.

The following Partners support the goals and objectives of the Training and Certification Courses on NDT techniques.

This agreement shall be signed on behalf of AIET by Dr. Peter Fernandes, Principal, AIET, at Shobhavan, Mijar, and on behalf of V&G by Mr. Girish Babu, its Managing Director. This agreement shall be effective as of the date first written above.

Two Days Hands-on Training Program on Non-Destructive Testing (NDT)

**In association with V&G Industrial Testing and Laboratory, Mangalore
From 05-12-2022 to 06-12-2022**

It was an auspicious day for the students of Mechanical Engineering Department that in association with V & G Industrial Testing Laboratory PVT. Ltd. Mangalore Ltd a two days Hands-on Non-Destructive Training program was organized from 05-12-2022 to 06-12-2022 for final year students as part of the pre-placement training.

The inaugural program started at 9.30 am in the Department CAMD laboratory. Dr. Satyanarayan, HOD, Dept. of Mechanical Engineering welcomed one and all present. Mr. Venkatsubrahmanya, Training and Certificate-Superintendent, NDT Level 3 Certified Engineer and Mr. Ganesh, Tahashildar, Deputy Quality Manager, V&G Industrial Testing Laboratory PVT. Ltd. were presided over function.

About 44 students and 15 faculties were taken part in this training program. The sessions were taken in batch wise (22 per Batch) in parallel sessions. One batch was undergoing with theoretical aspects, whereas other batch were taking part in the practical sessions. During the sessions the information related to LIQUID PENETRANT TESTING, MAGNETIC PARTICLE TESTING, SPRAY COATING, FILM BASED TESTING & INSTRUMENT BASED Non-Destructive Testings were demonstrated.

The event went well successfully for two days and valedictory function was held on 06-12-2022 in CAMD Lab ME Block AIET. Along with the resource persons Dr. Satyanarayan, HOD, Dept. of Mechanical Engineering, Prof. Gurushanth B Vaggar, present on the dais along with all the faculty members of Mechanical Engineering department and students at the venue. The resource persons are felicitated with Mementos as a token of gratitude. The department and institution are gratefully acknowledged V&G industrial training and laboratories Pvt. Ltd., Mangalore for building relationship with the students so that bringing industries to institution is achieved.

Dear Sir/Madam,

Good Morning...

It is my great pleasure to connect you again.

I request you to provide **Hands-on Training on Non-Destructive Testing (NDT)** for our final year students as a part of "**BOOT CAMP**".

The event is conducted for final year B.E. (Mechanical and Civil Engineering) students to narrow the industry – academia gap.

In this regard, kindly provide tentative dates preferably on **First week September 2021 (except Saturday and Sunday)** for the training with best quotation. It is requested to conduct training for Two days as batch wise.

We will get approval from higher authorities from our end to prepare the schedule.

Awaiting for your reply.

Thanks and Regards,

Dr. Satyanarayan
