Respected Sir,

Sub: Approval for organizing a 3 day Workshop on "Trends and Innovation in Civil Engineering Software"-Reg.

With reference to the subject cited above, I would like to bring to your kind information that, the Department of Civil Engineering is planning to conduct a **Three day** workshop on "**Trends and Innovation in Civil Engineering Software**" from **10th to 12th August 2022** for **4th** semester students, resource persons being from SAI CADD Bangalore. Kindly consider the above request and approve the same for further proceedings. I also request to guide the concerned to arrange for a memento to the resource person. The budgetary requirement is enclosed herewith.

Thanking you Sir.

**A BRIEF REPORT ON
3-DAY WORKSHOP ON "TRENDS AND INNOVATION IN
CIVIL ENGINEERING SOFTWARE"**

About Speaker:

Mr. M Manjunath Reddy
Proprietor, SAI CADD, Bangalore

Mr. M Manjunath Reddy has 20 years of experience in CADD Industry (CADD Training & CADD Projects) and has done over 15 Abroad CADD Projects. In Karnataka he has completed CADD Training in 12 Engineering Colleges and is working as Guest Lecturer for Civil / Architecture / Interior / Mechanical / Automobile Engineering Colleges.

Program Proceedings:

The Civil Engineering Department of Alva's Institute of Engineering & Technology, Moodbidri, Institution Innovation Council and SAI CADD, Bangalore jointly organized a three-day workshop from **10th to 12th August 2022** in the department CADD Lab at 9:00 AM, on "**Trends and Innovation in Civil Engineering Software**" by Mr. M Manjunath Reddy to all the second-year civil engineering students.

The workshop was inaugurated by Mr. M Manjunath Reddy and Mrs. Prathima Reddy C M, SAI CADD, Bangalore by lighting the lamp. The resource person addressed that a lot of advancement is happening in the field of civil engineering. As a result, new software is gaining popularity and learning it has become very much required for students to meet the corporate needs. Head of Dept. of civil engineering, Dr. H Ajith Hebbar also addressed the students

about the objectives of the workshop and how it is going to help students in their future carrier. Prof. Anusha B Rao coordinated the workshop.

**Workshop Inauguration by Mr. M Manjunath Reddy and Mrs. Prathima Reddy
C M, SAI CADD, Bangalore**

On Day-1 of workshop, the resource person started the session by giving introduction to Sketch up software and showed some examples. Later students had hands on session on the software and are told to create their dream house.

On Day- 2 & 3 of workshop, the resource person started the session by giving introduction to 3ds Max software and showed some examples. Later students had hands on session on the software and are told to create their dream house.

3ds Max Session by Mr. M Manjunath Reddy, SAI CADD, Bangalore

The session helped the students to understand the concepts of Sketch up and 3ds Max and procedure involved in creating the required object. From the program the students realized the innovations & trends in the recent civil engineering software and why it is important to have exposure in to such software. Students were motivated to develop innovative ideas to build objects using the software.
