

OPAC

The screenshot shows the AIET OPAC website interface. At the top, there's a browser address bar showing the URL '49.207.57.234/aiet/index.php'. The website header includes the AIET logo and the text 'Alva's Institute of Engineering and Technology Mijar, Department of Library and Information Centre'. A search bar is prominently displayed with the text 'Search for Books, Author, and More...'. Below the search bar, there's a 'Short-Cuts' section with a row of colored circular icons. The 'Featured Books' section displays three book covers: 'Materials Science and Engineering', 'PYTHON', and 'Linear Integrated Circuits'. The 'Photo Gallery' section shows a photo of a library interior. The 'Announcements' section has a heading and a date range. The 'Useful Links' section lists various resources like 'National Digital Library', 'Directory of Open Access Journals (DOAJ)', and 'Resources at Taylor and Francis'. The Windows taskbar at the bottom shows the system clock as 11:41 on 13-09-2023.
