

QUALITY INDICATOR FRAMEWORK (QIF)

6.4.3 Institutional strategies for mobilization of funds and the optimal utilization of resources

Alva's Institute of Engineering and Technology is a self-financed Institution where majority of the fund is generated by the fees collected from the students. Apart from this, Institution is identified as examination centre by the National Testing Agency (NTA) under MHRD for the conduction of various competitive exams like UGC NET Khadi Board Exam, Broadcast engineering consultant India limited exam, JEE.

Along with this, Institution also utilised the infrastructure and other labs like fabrication lab, IC engine research lab, ENS lab, Composite lab, NOEL-EFNMR lab for the consultancy work and generates fund utilising it for the developmental work of the Institute.
