learning process".

A Program awareness program on "NBA Accreditation under total quality management teaching learning process" was organized by Department of Computer Science and Engineering on 18/11/2022.

The objective of the session was:

- 1. Improvement of academic quality.
- 2. Need and Benefits of Accreditation.

Dr. Manjunath Kotari, HOD,CSE addressed the students and faculty about the importance "NBA Accreditation under total quality management teaching learning process". Sir started his session by explaining the first objective: Improvement of academic quality. He explained various measures to improve academic quality by inculcating the following Mission, Vision, Objectives, Program Educational Objectives (PEO), Outcomes and Teaching Methods. How these will help in setting the standard for the institution and how it is going to create stakeholders accountability. Sir also explained need and benefits of accreditation. Its main objective is to ensure the quality of technical education provided through different professional and technical programs in institutes. Sir also explained that it is indeed an honour to have the badge of accreditation stamped on our engineering programs. It gives message that our programs have been
