Ref: AIET/AIML/2022-23/   Date: 22-12-2022

To

The Principal/IQAC Chairman
AIET, Mijar

From

Mr. Kiran Raj K M
Assistant Professor,
Department of AIML
Alva's Institute of Engineering & Technology,
Moodabidri – 574225

Sir,

Subject: Requesting permission to conduct a Total Quality Management in Teaching Learning – An Orientation program on **"Orientation Programs on NBA"** reg...
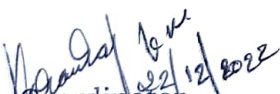

With reference to the above cited subject, the AIML Department is planning to conduct under Total Quality Management in Teaching Learning – An Orientation program on **"National Board of Accreditation for Faculty and Students"** on 05th January, 2023 at **Class Room 201.**

Resource Person: Prof. Harish Kunder
                   Associate Professor & HOD
                   AIML Dept.
Timings: **09AM – 10.40AM**

In this regard I request your kind permission to conduct the above mentioned program.

Thanking You

Coordinator
Dept. AIML

Head of the Department
HoD
Dept. of Artificial Intelligence & Machine Learning
Dept. AIML
Alva's Institute of Engineering and Technology
Shobhavana Campus, Mijar
Moodubidire 574 225, D.K. Karnataka, India

Circular

This is to inform that Department of Artificial Intelligence and Machine Learning is conducting a **"Total Quality Management in Teaching Learning – An Orientation program on National Board of Accreditation for Faculty and Students"** on 05th January, 2023 at **Class Room 201**.

Resource person **Prof. Harish Kunder**
                    Associate Professor & HOD
                    AIML Dept.
Timings: **09AM – 10.40AM**
All the students are informed to attend the same without fail.

Coordinator
Dept. AIML

REPORT

The Department of Artificial Intelligence and Machine Learning hosted under Total Quality Management in Teaching and Learning Orientation Program for Faculty and Students on " National Board of Accreditation."

Prof. Harish Kunder, Associate Professor and HOD, Dept. of AIML, educated the faculty and students on the subject. The following is a synopsis of the talk:

Accreditation is a process of quality assurance and improvement, whereby a programme in an approved Institution is critically appraised to verify that the Institution or the programme continues to meet and/or exceed the Norms and Standards prescribed by regulator from time to time. It is a kind of recognition, which indicates that a programme or Institution fulfils certain standards. The purpose of the accreditation by NBA is to promote and recognize excellence in technical education in colleges and universities at both the undergraduate and post graduate levels. Institutions, students, employers, and the public at large all benefit from the external verification of quality provided through the NBA accreditation process. They also benefit from the process of continuous quality improvement that is encouraged by the NBA's developmental approach to promote excellence in technical education. Through accreditation, the following main purposes are served:

Support and advice to technical institutions in the maintenance and enhancement of their quality of provision; confidence and assurance on quality to various stakeholders including students; assurance of the good standing of an Institution to government departments and other interested bodies; enabling an Institution to state publicly that it has voluntarily accepted independent inspection and has satisfied all the requirements for satisfactory operation and maintenance of quality in education.

## Benefits and Significance of Accreditation

Accreditation is a tool that stakeholders use to monitor, assess and evaluate the standards and quality of the education a student receives at a college, university or other institution of higher learning. Some of the major benefits enrolled students receive by attending an accredited institution / program are as follows:

- Accredited institution / program offers the highest quality education available;

Alva's Institute of Engineering & Technology
Shobhavana Campus, Mijar, Moodbidri, D.K – 574225
Phone: 08258-262725, Fax: 08258-262726

- Accredited institution / program strengthens consumer's confidence, employers value degrees of an accredited program the most;

- Accreditation helps institutions to know their strengths, weaknesses and opportunities, pushes them to continuously improve their programs and give them a new sense of direction, identity and targets; and

- Accredited institution / progam demonstrates accountability to the public, commitment to excellence and continuous quality improvement.

Accreditation Criteria:

- The accreditation criteria, processes, policies, and procedures are described in manuals mentioned below.

- These Manuals has been amended and the revised. These Versions of Accreditation Manual (May, 2019) will apply to accreditation visits from Augut 2019 onwards. Accreditation Manual Version May 2019 is available for download:

- General Manual for **Accreditation (Version: May 2019)**

- Manual for Accreditation of Undergraduate Engineering Programs (Tier I Institutions) (Version: May 2019).
