

### 7.1.1 The Measures initiated by the Institution for the promotion of gender equity during the last five years.

Gender equity programs are held on a regular basis at the institute. Guest speakers from a variety of fields are invited to talk on the issue, which emphasizes the value and contribution of women in society. The following are institution's gender equity promotion programs under Women Empowerment Cell:

#### 7.1.1 Gender equity promotion programs organized by the institution during 2022-23.
