10	Dr. Ramaprasad A T HOD, Physics	Coordinator	

Meeting started at 10.30 am at board room and following were the outcome of the meeting.

Coordinator of the committee welcomed all the member of the committee and briefed about the meeting. Committee reviewed the progress of the 2021-22 institutional freeship beneficiaries and decided to continue the freeship for the selected students as per the institutional policy.

Coordinator presented the applications received for institutional freeship for the year 2022-23. After going through the applications and discussion

with the Principal, Committee scrutinized and shortlisted the student's eligible for institutional freeship as per institutional policy. Committee members approved and recommended the prepared list for the IQAC approval (Annexure 1).

It decided in the meeting to encourage and educate the students to apply for the different government and non-government scholarships available.

Meeting was concluded by coordinator by thanking all the members.
