

QUALITY INDICATOR FRAME WORK

5.4.1 There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

Alva's Institute of Engineering & Technology (AIET) Alumni Association remained as an active body and duly registered on DRDK/SOR/13/2021-2022. The members of the association are the representatives of diverse Alumnus gambit and are working professional from different streams of Engineering & Management namely CSE, ISE, ME, ECE & CV and post-graduate departments of MBA. The alumni meet is organized at least once in a year. The main objective of the alumni association is to create and maintain a lifelong connection between Institute and its Alumni. The integral task of the association to build an engaged membership base. The data is collected, analysed and used for present & future initiatives of the institute. The Alumni Association has been functional as a significant contributing stakeholder in shaping the policies and overall development of the institute. Successful entrepreneurs, professionals and project team leaders from the alumni are invited to give a talk on their success stories. Our alumni have helped the department in placing the students to the Internship and project work and given a reference to the vacancies for the students. The alumni members are actively sharing inputs to upgrade the academic course curriculum with respect changing scenario.
