QUALITY INDICATOR FRAMEWORK (QIF)

1.2.2: Number of Add-on/Certificate programs offered during the academic 2023-24.

The Institute offers Certificate programs and Add-on courses based on the stakeholder's feedback analysis as a tool to fill the curriculum gap between industry and academia. The Certification programs/ Add-on courses are conducted as per Standard Operating Procedure (SOP).

Add-on/Certificate programs in addition to the core areas of study offer knowledge and training in specialized skill sets that are transferable to the work field and the type of job they desire to take. Thus the additional skills and knowledge enables the students to compete and enhance their employable opportunities. These courses are offered by the various departments of the institute.

Details of certificate programs and add-on courses conducted during academic year 2023-24 is shown in the following table.

Reports of certificate programs and add-on courses conducted during 2023-24
