On December 3rd, 2023, a beach cleaning initiative was organized at Sasihithlu Beach, Mangalore, in collaboration with the Surfing Swamy Foundation, Mulki. The volunteers, from various institutions under AEF, Moodbidri, and environmental enthusiasts from various organizations, equipped with gloves, bags, and litter pickers, diligently scoured the shoreline, collecting litter and debris that had accumulated over time to restore the beach to its pristine state. After several hours of concerted effort, a significant amount of trash was collected and properly disposed of, leaving the beach looking noticeably cleaner and more inviting. The event was concluded by Mr. Vivek Alva, Managing Trustee, AEF, explaining the importance of such initiatives and thanking all the participants for their concern.

Firstly, the beach environment was visibly improved, enhancing its appeal to visitors and preserving its natural beauty. Additionally, the event fostered a sense of environmental stewardship among participants, empowering them to take proactive steps towards conserving their local ecosystem. Finally, the initiative helped raise awareness about the importance of ocean conservation and the need for sustainable practices within the community.
