## Acknowledgement

First, I would like to thank **Q Spiders** for giving me the opportunity to do an internship within the organization.

I also would like all the people that worked along with me in **Q Spiders** with their patience and openness they created an enjoyable working environment.

It is indeed with a great sense of pleasure and immense sense of gratitude that I acknowledge the help of these individuals.

I am highly indebted to Managing Trustee **Mr. Vivek Alva** and Principal **Dr. Peter Fernandes, Alva' Institute of Engineering and Technology, Mijar** for the facilities provided to accomplish this internship.

I would like to thank my Head of the Department **Dr. Manjunath Kotari, Professor, Department of Computer Science and Engineering** for his constructive criticism throughout my internship.

I would like to thank my internship Coordinator **Dr. Bramha Prakash H P, Associate Professor, Department of Computer Science and Engineering** for his guidance throughout my internship.

I am extremely grateful to my department staff members and friends who helped me in successful completion of this internship.

**ABHISHEK PANDIT    4AL20CS004**

## INTERNSHIP CERTIFICATE

## **ABSTRACT**

Q Spiders is a best-in-class learning solutions organization headquartered in India's IT capital, Bangalore. It offers a wide range of courses in the area of software testing and are official partners of the ISTQB. A "finishing school" in many ways, the institute provides young job aspirants the perfect launch-pad to build a rewarding career in the growing IT sector. From its humble beginnings, Q Spiders has exponentially grown to be the world's largest software testing training organization spread across countries. At Q Spiders, It ensure training is imparted by specialists with proven subject matter expertise and who have spent over a decade in their area of specialization. Its faculty are highly competent, skilled and dedicated to giving their best towards the professional development of students. Besides training, It also provide placement assistance to our students and most of the big corporate in the corporate world hire our trained talent. It is indeed our pleasure to have placed over thousands of job-seekers in various IT firms across India over the years with an aim to place thousands more! Building competency into over 5000 students a month, Q Spiders is where talent meets opportunity and we believe your search for the dream job or the dream professional ends here.

## **INTERNSHIP OBJECTIVES**

The main objective of this internship is to learn core python and also how memory allocation is allotted to the variable. This internship was to learn the DSA of python and use the provided open library files effectively. This internship also provided be how to develop a web-based application using HTML, CSS, PHP, JavaScript and for the data base MySQL. Using This knowledge I was able to develop an web based application called real time chat application where the user can chat with other user and also give their feedback.
