CIRCULAR

Sir/ Madam,

Subject: Clarification of 2021 scheme Industry/Research Internship (21INT82) regarding

Reference: VTU/BGM/BoS/598/2024-25/1813, Dated 23.07.2024

Based on the queries received, the following points are clarified for the (21INT82) Industry/Research Internship:

1. According to the teaching and examination scheme, the Technical Seminar (21SEM81) and Industry/Research Internship (21INT82) are scheduled for the eighth semester, while the Project Work (21PROJ76) and other theory courses (21xx71 to 21xx75X) are in the seventh semester.
2. Industry /Research Internship duration is 15 weeks as per 178th EC proceedings
3. According to the scheme, the seventh and eighth semesters are **interchangeable** (Swappable). In the ODD semester, 50% of the final-year students can choose to take eighth-semester courses (technical seminar and internship), while the remaining students can take project work along with the theory courses of the seventh-semester. In the EVEN semester, the roles are reversed.
4. This swapping arrangement is designed to ensure that all students have the opportunity to participate in an internship. However, students who do not secure an internship can instead take Skill Enhancement Courses (SEC), which have credits totalling to those of the internship. The SECs are available @ online.vtu.ac.in.
5. Guidelines for Internship are mentioned in Annexure-IV (Activities under Internship) which is made available @ <https://vtu.ac.in/pdf/regulations2021/anex4.pdf>

Please note that the college must inform the Registrar (Evaluation) about the details of the students who are taking seventh-semester courses, those taking eighth-semester courses, and those opting for Skill Enhancement Courses (SEC) in the upcoming semester. These details must reach the Registrar (Evaluation) office within 10 days of the start of the odd semester.

Dear Sir/ Madam

Subject: 2021 scheme **Industry Internship /Research Internship (21INT82):**

Regarding

Reference:

1. Joint Board of Studies recommendation vide proceeding no. 01(g) meeting dated: 21.06.2024
2. Proceeding number 2.2.1 of 178th EC meeting dated 17.07.2024
3. VTU/BGM/Aca/BoS/2023/257, Dated: 10.04.2023
4. Dean Faculty of Engineering approval dated: 22.07.2024
5. Hon'ble Vice-Chancellor's approval Dated: 23.07.2024

This refers to the subject mentioned earlier, based on the recommendation of the Joint Board of Studies and approval by the EC of VTU, Belagavi, the duration of the Industry Internship/Research Internship (21INT82) under the 2021 scheme has been fixed to 15 weeks. The institute has the flexibility to interchange(swap) the internship between 7th and 8th semesters based on the total number of students, and the availability of internships (the colleges shall assist in getting internships to the students). This 15-week semester duration will help students to complete their academic requirements on time. The students have to follow the rules and guidelines for the Industry Internship/Research Internship which is made available @ <https://vtu.ac.in/pdf/regulations2021/anex4.pdf> (Annexure-IV Activities Under Internship).

1. An industry or research internship should be conducted under the supervision of a faculty mentor or guide (refer to clause 1.3 of Annexure IV: Activities Under Internship, page 06). The mentor or guide is responsible for assisting students in securing appropriate industry internships and ensuring that they acquire the necessary skills to benefit their future careers.
2. Students undertaking internships must maintain a daily diary (internship report) as specified in Annexure IV (Activities under Internship).
3. The faculty mentor or guide must adhere to the guidelines provided for the conduct of CIE and SEE. Additionally, they are responsible for guiding the intern

to ensure the smooth execution of the internship and the preparation of the internship report (daily diary).

4. The mentor/guide/college shall submit all related documents to the University whenever requested.
5. For an industry internship, the intern must adhere to all the safety regulations of the internship provider. Any deviation from these safety norms and the resulting consequences are solely the responsibility of the intern (student).
6. With the consent of the internal guide and Principal of the Institution, students shall be allowed to carry out the internship within or outside the state or abroad, provided favorable facilities are available for the internship and the student remains regularly in contact with the internal guide.
7. University shall not bear any cost involved in carrying out the internship by students. However, students can receive any financial assistance extended by any organization.
8. As in the reference point number 03, students who are unable to secure an internship must take SKILL ENHANCEMENT COURSES, with credits totaling the same as those of the internship. Students are required to enroll in and complete the Skill Enhancement Courses available at (<https://online.vtu.ac.in/category/courses/Skill-Enhancement-Course>).

All the principals of autonomous/affiliated/constituent engineering colleges are hereby informed to bring the content of the circular to the notice of the Mentor/Guide for internship and the concerned students.
