REPORT on "NBA & OBE Awareness to Students"

Date: 23-11-2023

Overview

An engineering college that has NBA accreditation, carries the stamp of recognition for its education quality assurance both at undergraduate and postgraduate level. Colleges are periodically evaluated for stringent NBA accreditation criteria with the purpose that they are on par with international best practices. .

Educational institutions eligible for NBA accreditation can offer courses from diploma level to postgraduate level, in the fields of engineering and technology, computer applications, pharmacy, management, hotel management and catering technology and architecture. Programmes to be accredited from 2013-14 onwards will have to be based on Outcome-Based Education (OBE) approach

Objective

- Purpose of accreditation

- Importance of OBE
- Purpose of Program Outcome (POs), Program Educational Objectives (PEOs), Program Specific Outcomes (PSOs), Course Outcomes (COs)
- Importance Bloom's Taxonomy, Rubrics used for evaluation

One hour of awareness was given to students of 3rd Semester A Section students by the Class Coordinator, Mr. Harshavardhan, Senior Asst. Professor, Dept. of CSE. Total 67 students participated in this awareness session. The objective of the awareness program was to give awareness about purpose of accreditation, outcome based education (OBE), importance of OBE, Program Outcome (POs), Program Educational Objectives (PEOs), Process for establishing the PEOs, Program Specific Outcomes (PSOs), Course Outcomes (COs), Vision and mission of the institute, Vision and mission of the Department, Bloom's Taxonomy, Rubrics used for the evaluation of project, seminar and lab internals.
