IEEE Pre-University STEM Portal Grant Program 2024   External   Inbox ×   ✕ 🖨 ⬈

Robert Schneider <r.f.schneider@ieee.org>   Sat, Mar 2, 1:44 AM
to me, Chandra, Stamatis

This email is sent on behalf of Stamatis Dragoumanos, IEEE PECC Chair

Dear Chandra Naik,

Congratulations to you and Alva's Institute of Engineering and Technology! Your IEEE Pre-University STEM Portal Grant proposal, **Computational Thinking workshop for Rural School Students** will be awarded the requested funding of **$445 (USD)**.

We received an overwhelming number of applications, 462 in all, with a wide array of program types all showing great creativity and innovation in STEM outreach and your program rose to the top! Through your efforts, IEEE will be empowering the next generation of technology innovators.

The total funds you've been awarded will be processed in the next few weeks. Complete this form **no later than 15 March** to provide information for the fund transfer and confirm that you agree to the grant terms and conditions.

Please use this logo or badge in your event marketing. We look forward to receiving your final program report by **1 December 2024** (template will be provided).

Our committee and reviewers were so inspired by the enthusiasm and creativity of our IEEE volunteer community; it shows the power of the
