ROVERS & RANGERS CLUB

A BRIEF REPORT ON NATIONAL YOUTH DAY CELEBRATION

AWARENESS PROGRAMME ON TECH ADDICTION AND WASTE MANAGEMENT THROUGH MIME ACT

Program Proceedings:

The Rovers & Rangers Club of Alva's Institute of Engineering & Technology, Moodbidri, celebrated National Youth Day by organizing an **Awareness Programme on Tech Addiction and Waste Management through Mime Act** at **Karnataka Public School Mijar** on **Friday 12th January 2024**.

National Youth Day, also known as **Vivekananda Jayanthi**, is celebrated on 12th January, being the birthday of Indian monastic and philosopher **Swami Vivekananda**. In 1984, the Government of India declared this day as National Youth Day also known as Rashtriya Yuva Diwas and since 1985 the event is celebrated in India every year. The day creates awareness and provides knowledge about the philosophy of Swamiji and the ideals for which he lived and worked and is considered as a great source of inspiration for the Youths. The main objective behind the celebration is to make a better future for the country by motivating the youth and spreading the ideas of the Swami Vivekananda.

The National Youth Day is observed all over India at schools and colleges, with processions, speeches, music, youth conventions, seminars and many other activities to motivate the youths. In this regard the Rovers and Rangers of the AIET, organized an Awareness program for the youths of Karnataka Public School, Mijar, Moodbidri, Mangalore. The Rover Yogeshwar team members presented Mime Act on Tech Addiction to create awareness about the effect of excessive use of smart device. The Ranger Vidyashree team members presented Mime Act on Waste Management, showing the impact of the wasting of food, water and poor management of plastics. Later, the Rovers and Rangers interacted with the students about how to overcome these issues. The

Rover Chethan L R concluded the session by giving the message about the roles and responsibility of youths in the society.

The session helped Rovers & Rangers about the conduction of Mime act and delivering the message to the youth. The club members also got awareness about the tech addiction and waste management and their social responsibilities.
