3. All the payment done by AIET campus, TDS will be applicable and TDS statement to be provided to QSpiders quarterly

9513684738 / 9663035838 / 8951922956

info@campus.qspiders.com

01, Hayavadana Rao Rd, Basappa Layout, Gavipuram Extention,
Kempegowda Nagar, Bengaluru, Karnataka 560019

14. Non-Payment Terms: Payment will be held on the below following terms

1. If Training is not happening
2. If feedback of training is bad it should be communicated immediately within 3 Days of the training period, so that we shall have time to improve or change trainer.
3. Final feedback should be collected by AIET should be given within 1-2 days of completion of training
4. If the collected feedback is bad must be communicated within 3 days of completion of trained subject, then will consider it for re-training them from better faculty.
5. If in case of Negative feedback, it should be communicated within 3 days of training completes because the students will get gap on teaching quality done and not to hold the payments for the case.
6. Any issues by trainer should be communicated in within 3 days of the event.
7. Small change in the schedule or in case of emergency if trainer cancels class on any particular day & if he takes same session on any other particular day college should not hold the payment

a. Exit terms

1. The minimum locking period for this agreement will be 1 year from the date of signing MOU & do not tie up with any other training institute during this period for any Technical training apart from the agreed subjects as mentioned in Annexure 1.
2. Both the parties can exit from the agreement if other party services are not satisfied.
3. If QSpiders wished to exit the agreement, it will complete the current running training schedule and then exit.
4. If QSpiders wishes to exit the agreement, the portions covered shall have to be certified by the respective heads and the SPOC of AIET. Upon approval by the Principal, fee shall be paid to QSpiders on a pro-rata basis against the content agreed upon.

Hello Sir

I hope this message finds you well. As we prepare for the upcoming Java Brush-Up, Programming on Java, and JDBC training sessions at College, I'd like to outline the necessary requirements to ensure smooth delivery of the curriculum and optimal learning experiences for the students.

Kindly arrange the following:

1. Software Installation:

Each student's laptop should have the following software installed:

- a) Eclipse IDE
- b) PgAdmin (for database management) with username: postgres, password: root.

2. Classroom Setup:

Ensure each classroom is equipped with:

- a) Reliable internet connectivity.
- b) A projector for displaying presentations.
- c) At least two different colour markers and duster for use on whiteboards.
- d) A Headband Microphone with Amplifiers for the trainers.

Thanks & Regards,

Sandhya
