ABOUT AIET:

Alva's Institute of Engineering & Technology (AIET) is a premier Engineering Institute of Alva's Education Foundation established in the year 2008. AIET is strategically located adjacent to Moodbidri – Mangalore National Highway, which is 24 kms from Mangalore International Airport. It has a lush green campus spread over 30 acres; a part of ALVA'S – SHOBAVANA, spreading over 144 acres.

ABOUT CIVIL ENGINEERING DEPARTMENT:

The Bachelor's degree in Civil Engineering in AIET was started in the academic year 2009 – 10 with an intake of 60 students. The department offers a full time B.E degree course in Civil Engineering. The department Organizes seminars, workshops & industrial visits for the benefit of students and faculty which would give the exposure of the recent trends in civil engineering. Students involve in the consultancy projects obtained through various govt. and non-govt. agencies. The infrastructure available in the department facilitates students to develop their skill and knowledge within the framework of curriculum prescribed by the Visvesvaraya Technology University.

ABOUT SAI CADD:

SAI CADD Centre is a CADD training institute in Kengeri, Bangalore, established in 2006. CADD training programs were launched with intent to create a pool of skilled CADD software professionals to meet the ever-growing demands of the needs of CADD users / organizations.
