

QUALITY INDICATOR FRAMEWORK (QIF)

5.1.5 The Institution has a transparent mechanism for timely redressal of student grievances including sexual harassment and ragging cases.

The Alva's Institute of engineering and Technology supports students through transparent mechanism aimed at the timely redressal of student grievance including Sexual harassment and Ragging cases. To facilitate this, the institute helps aggrieved students to register their grievances through online and offline mode (drop box). The Institutional Committee shall periodically gather all the complaints and conduct systematic and unbiased inquiry. The member convener of Institutional committee along with its members will gather the complaints, consolidate and convenes the meeting to all the concerned. After thorough investigation, based on facts, appropriate action need to be initiated in time-bound manner. To ensure students are aware of the available support systems, the Anti ragging and Prevention of sexual harassment committee organizes orientation and awareness programs.
