Best out of waste Competition 2023-24

Cultural Club was organized Best out of waste competitions for all branches of engineering and MBA on) **28/06/2024** (Friday) at 2:30 pm to 5:00pm in AIET Campus. In this competition totally 5 teams are participated from different departments of AIET.

Recycling and reusing the valuable waste material can result in development of fantastic and usable products. Rather than putting these waste materials into the landfills, various innovative and creative ideas can be put together to being something new and useful.

Objectives and Out Come of the event: The objective of the competition was to create a love for the environment, by making the best out of waste with the help of discarded things. To encourage our young students to use their imaginative skills for creating useful and innovative products out of waste material and to imbibe values like preservation and conservation in the young hearts.

Students creating models by waste materials.

Students created modes by waste materials.
