QUALITY INDICATOR FRAMEWORK (QIF)

5.4.2   Alumni contribution during the last five years (INR in Lakhs)

The registration process for the alumni includes a nominal membership fee, and many alumni also contribute additional funds to the AIET Alumni Association. The funds generated are utilized to support various institutional events, including the grand technical fest, Traditional Day, and other festivals and celebrations. These events provide a platform for students across all disciplines to showcase their talents and skills. Unlike traditional practices where colleges hosted fests exclusively for specific categories, we organize inclusive events that cater to students from all streams—degree programs, postgraduate studies, engineering, paramedical, and medical fields. This approach fosters a vibrant and collaborative atmosphere for all participants.
