

QUALITY INDICATOR FRAMEWORK (QIF)

6.1.2 The effective leadership is visible in various institutional practices such as decentralization and participative management

The Institute has a decentralized and transparent process in management, administration, financial and academic affairs. The organization believes in delegating responsibilities from higher-level management to lower-level, which encourages management to concentrate on policy making and major decisions. The Institute has strong Governing Council (GC), headed by Chairman, Alva's Education Foundation (AEF), Moodbidri and, the Principal of the Institute as the Member secretary of the GC. In addition to this GC comprises eminent personalities from the society, Representative from University, Academicians and Faculty representative. Along with the Governing Council, the academic activities decided by IQAC and are supported by participation by Dean (Planning), Dean (Academics), Heads of the Departments, Conveners of various Institute level committees. The IQAC monitors the effectiveness of governance and participative management.

Below table details out the fact that effective leadership visible in various institutional practices such as decentralization and participative management in the Institute through supporting documents.
