

### **QUALITY INDICATOR FRAMEWORK (QIF)**

#### **6.2.1 The institutional Strategic/ perspective plan is effectively deployed**

Quality being the prime concern, Institution lays a significant thrust on formulating well-planned strategic plan to be implemented, to meet standards of quality higher education, to sustain in globally competent world. Governing council of the institute forms the Strategic Planning Advisory committee (SPAC) to formulate the Strategic Perspective Plan (SPP) of the institute. SPAC will gather inputs from various stake holders by collecting feedback while preparing SPP.

Institute IQAC prepares SPP deployment strategy during commencement of academic year based on feedback of stakeholders, suggestions from Governing Council and periodic review mechanism of IQAC. Institute devices execution of SPP through conduction of core value centric activities based on long and short term goals.

Institute is committed towards fulfilling its Long-Term-Goals on green-energy initiatives through usage of Renewable-energy. Institute is committed towards continual improvement in teaching-learning process, bridging the gap between Industry & academia, enhancing research culture, nurturing students in sports, cultural & entrepreneurial skills through effective deployment of strategic perspective plan.

Below table details out report on above mentioned effective deployment of strategic perspective plan.
