## **Key Topics Covered:**

- **Role and Functions of IQAC:**

Professor Sharatchandra elaborated on the significance of the IQAC in developing a quality culture within educational institutions.

- **Quality Assurance Frameworks:**

Various national and international quality frameworks were discussed, including NAAC (National Assessment and Accreditation Council) guidelines.

- **Best Practices in Teaching, Learning, and Assessment:**

Focus was given to implementing innovative teaching methods, conducting effective student assessments, and enhancing learning outcomes.

- **Use of Technology in Quality Improvement:**

The integration of digital tools and platforms in academic and administrative activities was emphasized to streamline processes.

- **Documentation and Reporting:**

The importance of accurate documentation for accreditation and internal audits was discussed.

## **Interactive Sessions:**

The workshop included interactive group activities and discussions where participants shared their experiences and challenges in implementing quality initiatives. Professor Sharatchandra addressed their queries and provided practical insights into overcoming these challenges.

## **The outcome of the Workshop:**

Participants gained a deeper understanding of the role of IQAC in promoting a culture of continuous improvement. The workshop equipped them with strategies to implement and sustain quality initiatives effectively within their institutions.
