From,

Dr. Shashi Kumar
Head of the Department
Agriculture Engineering
Alva's Institute of Engineering and Technology Moodbidri.

To,

The Principal
Alva's Institute of Engineering and Technology
Moodbidri.

Respected Sir,

Sub: Requisition for Conducting an Orientation program on need for accreditation and its uses under Total Quality Management In Teaching Learning on 23rd Nov 2023.

With reference to the above subject, we are planning to conduct an Orientation program on NBA Accreditation under Total Quality Management In teaching learning on 23rd Nov 2023. This orientation program will be conducted only for internal faculty members and department students. So, I kindly request you to grant the permission for conducting this Orientation Program under Total Quality Management in teaching Learning. Totally faculties and students are planning for this orientation program.

Thanking you

Yours faithfully

H.O.D.

Report on Orientation Program on NBA Accreditation under Total Quality Management in Teaching Learning

VENUE: Agricultural Engineering Classrooms
Date: 23/11/2023

Resource Person: Dr. Shashi Kumar, Professor, Dept. of Agril. Engg., AIET

NBA Orientation Programme was organized for the faculty and students of Agricultural Engineering department and Dr. Shashi Kumar highlighted the importance of accreditation process. He had an interactive discussion about each criteria metrics by giving valuable inputs for the desired assessment and evaluation. He started with introducing the Assessment bodies NAAC and NBA. He explained the process involved in framing the vision, mission, PEO, and PSO's. Later he briefed about PO's in correlation with course outcomes. In the later session he explained about the course outcomes of basic electronics subject. He stressed on the importance of student admission, result, quality of teaching, Internships, projects and how it would help them in future if the college is accredited.

He stressed the importance of outcome-based education and process based education. He briefed about the best innovative activities that students can involve effectively other than the curriculum, which would develop them in a more versatile manner.
