

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

AIET integrates cross-cutting issues relevant to Professional Ethics, Gender Sensitization, and Environment & Sustainability into the curriculum. University has already incorporated a few cross-cutting issues into the syllabus to ensure fulfilment of the students' holistic development along with the academics.

To enhance this process of students' development, the Institute has further set up committees/clubs and professional societies as shown in the table below to function as per the direction of IQAC to promote the integration of Gender Sensitization, Human Values, Environment and Sustainability into the curriculum.
