Dear Sir,

Sub: Completion of Internship activity from your College Student

Ref: Your letter dated 25th October 2023 seeking permission for carrying out Internship Training
At our Plant Campus.

With reference to the above subject, we wish to inform you that Ms. Sindhu S Patil (USN:4AL21EC091) student of third year BE Degree (Electronics & Communication) from your college had visited our Plant at Sultanpur village, Sandur Taluk Ballari from 30th October 2023 to 27th Novemer 2023 to complete her Industrial Internship Training at our Organization.

She had interacted with the concerned HODs and their Team members and gathered maximum inputs during the Internship Training. During her visit to our Plant we hope that she was able to collect all the required information as per the curriculum to complete the internship project.

Her interactions with the co-department executives and seniors were really appreciable and proactive.

We hope that she must have completed this Internship Training assignment successfully.

We found her more sincere and dedicated from the beginning till the completion of her Project at our organization. We also appreciate her sincerity and dedication towards her assignment and all along she had put her best efforts to complete this project very successfully.

We wish Ms. Sindhu S Patil a great success in her future endeavors and bright career ahead!

Thanking you,

Yours faithfully,

Dear Sir,

Sub: Completion of Internship activity from your College Student

Ref: Your letter dated 25th October 2023 seeking permission for carrying out Internship Training
At our Plant Campus.

With reference to the above subject, we wish to inform you that Ms. Sindhu S Patil (USN:4AL21EC091) student of third year BE Degree (Electronics & Communication) from your college had visited our Plant at Sultanpur village, Sandur Taluk Ballari from 30th October 2023 to 27th Novemer 2023 to complete her Industrial Internship Training at our Organization.

She had interacted with the concerned HODs and their Team members and gathered maximum inputs during the Internship Training. During her visit to our Plant we hope that she was able to collect all the required information as per the curriculum to complete the internship project.

Her interactions with the co-department executives and seniors were really appreciable and proactive.

We hope that she must have completed this Internship Training assignment successfully.

We found her more sincere and dedicated from the beginning till the completion of her Project at our organization. We also appreciate her sincerity and dedication towards her assignment and all along she had put her best efforts to complete this project very successfully.

We wish Ms. Sindhu S Patil a great success in her future endeavors and bright career ahead!

Thanking you,

Yours faithfully,
