REPORT

Orientation on Total Quality Management in Teaching Learning

Venue: CAD lab, 4th floor B Block, AIET

Resource Person: Dr. H Ajith Hebbar

Total Quality Management in teaching learning was organized for the faculties and students of Civil Engineering Department on 23 November 2023. Prof and Head of Department, Dr. Ajith Hebbar highlighted the importance of teaching and learning, giving valuable inputs for both teachers and students.

For Teachers:

- **Continuous Improvement:** Strive for constant improvement in teaching methods, curriculum delivery, and assessment techniques.
- **Student-Centered Approach:** Prioritize student needs and learning styles.
- **Effective Communication:** Foster open and honest communication with students, parents, and colleagues.
- **Collaborative Learning:** Encourage teamwork and peer learning among students.
- **Data-Driven Decision Making:** Use data to identify strengths and weaknesses in teaching and learning processes.
- **Professional Development:** Engage in ongoing professional development to stay updated with the latest educational trends.

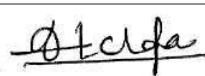

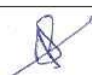

For Students:

- **Active Participation:** Actively engage in classroom discussions and activities.
- **Time Management:** Effectively manage time for studies and other activities.
- **Self-Discipline:** Develop self-discipline and a strong work ethic.
- **Seek Feedback:** Actively seek feedback from teachers and peers to improve learning.
- **Lifelong Learning:** Cultivate a lifelong love of learning and a desire for continuous improvement.
- **Positive Attitude:** Maintain a positive attitude towards learning and challenges.
