4. World Organ Day on 13.08.2022

World Organ Day is observed globally on the second Saturday of August every year. Youth Red Cross (YRC) and the NSS units of AIET, jointly organized the World Organ Day on August 13, 2022. Mr. Lal Goel, Chairman, Organ Donation India Foundation & GYAN, was the chief guest.

In his address to the students, Mr. Lal Goel mentioned that organ donation is not just an act of kindness; it is also an act of selflessness that can save someone's life. Each year, millions of people around the world suffer from chronic illnesses, genetic disorders, or organ failure, and many of them require organ transplants to survive. Unfortunately, the demand for organs far exceeds the supply, and this leads to long waiting lists for transplants, and many people die waiting for an organ that never comes.

Mrs. Priya Sequeira, HoD, Master of Business Administration, thanked the guest speaker and presented a memento as token of gratitude and honor.

Outcome: The objective of raising awareness about the importance of organ donation and transplantation, and encouraging people to become organ donors is met. 97 students pledged their organs and submitted the pledge form to IRCS, Mangalore.

Mr. Lal Goel, responding to the queries by the students

5. Swachh Mijar on 18.08.2022

On August 18, 2022, a cleaning activity was organized from Doomachadavu to AIET in association with the Computer Science Engineering Department. 29 volunteers participated in the event including the event coordinator, Mr. Suresh P. S and Prof. Vasudev Shahapur, Dept. of CSE. The volunteers collected litter and waste from the road sides and public spaces and disposed of them responsibly. The event was a huge success, and the participants were praised for their efforts in keeping the environment clean and beautiful.

Outcome:

The activity aimed to promote cleanliness and hygiene in the surrounding areas. Students develop a sense of responsibility towards the environment and community. Cleaning activities provide an opportunity for students to engage in physical activity and develop teamwork and leadership skills.

6. Utility Assistance Program on 20.08.2022

On May 20, 2022, an activity was organized in which school utilities were donated to schoolchildren. The event was organized by NSS unit of AIET, in collaboration with the Samskruthika Kala Vedike, Ashwathapura. The aim of the activity was to provide school essentials to underprivileged children who cannot afford to buy them. The event was attended by over 160 schoolchildren. The school utilities donated included notebooks, stationery items viz., pen, pencil, drawing instruments, eraser, sharpener, etc. The event was made possible through the generous donations of AIET students and the aforesaid local organization.

The activity also included various fun games for the schoolchildren, organized by the volunteers. All the volunteers had their lunch with them and concluded the programme by distributing sweets.

Outcome: Over 160 schoolchildren of Govt. Primary School, Neerkere, were benefitted and it provided much-needed support to the underprivileged children. The volunteers learned how to highlight the importance of education and the role that community support can play in promoting it.

7. A talk on “Ocean resources and costal pollution” by Dr. K S Jayappa on 26.08.2022

Under the 'Clean Coast Safe Sea - campaign', an initiative by the Alva's Degree College, Moodbidri organized a talk by Dr. K S Jayappa, Chairman, Dept. of Marine Geology, Mangalore University on 26.08.2022 at MBA Seminar, AIET. The volunteers of NSS unit of AIET, were invited for the talk and participated. The talk was on “Ocean resources and costal pollution”. Dr. K S Jayappa discussed the importance of ocean resources and how it is being affected by coastal pollution. He discussed the various ways in which we can reduce coastal pollution and protect our ocean resources. He also shared some interesting facts about the impact of coastal pollution on marine life, and how we can take action to prevent it from getting worse.

Sri Vivek Alva, Managing Trustee, AEF, thanked the invited speaker, highlighted the institution's continuous involvement in beach cleaning activities, and also motivated students to reduce the usage of plastic.

Outcome: Volunteers got an insight into marine resources and also the possible solutions discussed by the speaker to the coastal pollution problem, such as reducing plastic waste, improving water quality, and increasing public awareness about ocean conservation.

8. Beach Cleaning on 27.08.2022

With an objective of promoting environmental conservation and raising awareness about the importance of keeping our beaches clean, NSS conducted a beach cleaning event at Sasihitlu Beach on 27.08.2022. A total of 27 volunteers participated in the beach cleaning event. The participants consisted of environmental enthusiasts, and members from various community organizations.

The event started at 6:15 AM with a briefing session by the managing trustee, Sri Vivek Alva, AEF-Moodbidri. The participants were given an overview of the importance of beach cleaning and the potential environmental impacts of litter. The participants were divided into smaller groups, each assigned to a specific section of the beach. They worked together to collect litter, debris, and other waste materials from the shoreline and surrounding areas. The participants were encouraged to segregate the collected waste into different categories like plastic, glass, foam, rubber etc., to facilitate proper recycling and disposal. The beach cleaning event concluded at 10:00 AM.

Outcome: The beach cleaning activity at Sasihitlu Beach yielded significant results. The participants managed to collect a substantial amount of waste, including plastic and glass bottles, food wrappers, discarded flip-flops & shoes, thermocol and other debris. Approximately 175 large bags of waste were collected and properly disposed of. Such initiatives foster a sense of community responsibility and encourage sustainable practices for a better future among the participants.

9. Swachh Mijar (Ashwathapura to Neerkere) on 28.08.2022

The objective of the cleaning event held between Ashwathapura & Neerkere, in association with Lions Club-Muchur and Samskruthika Kala Vedike - Ashwathapura, was to promote cleanliness and hygiene in the locality, create awareness about the Swachh Bharat (Clean India) campaign, and encourage active participation from the community. The event saw a participation of around 50 volunteers, including members from Lions Club-Muchur, Samskruthika Kala Vedike - Ashwathapura, and enthusiastic local residents. The event commenced at 7:00 AM with a formal inauguration ceremony. After the inauguration, the participants were divided into smaller groups and assigned specific areas for the cleaning drive. The volunteers were provided with gloves and garbage bags to facilitate the cleaning process.

The Swachhata Abhiyan concluded with a closing ceremony at Govt. Primary School - Neerkere acknowledging the volunteers' contribution towards the cleanliness drive on a stretch of about 3 km. Representatives from Lions Club-Muchur and Samskruthika Kala Vedike - Ashwathapura expressed their gratitude to the participants and highlighted the importance of continuing such initiatives for a cleaner and healthier community.

Outcome: The event yielded positive outcomes, creating a cleaner environment and spreading awareness about cleanliness and hygiene practices. The efforts of the volunteers resulted in the collection of a significant amount of waste and the improvement of public spaces within the locality.

10. Blood Donation camp at Ashwathapura on 04.09.2022

With an objective to address the critical need for blood in local hospitals and medical facilities, promote voluntary blood donation, and create awareness about the life-saving impact of donating blood a blood donation camp was held at Ashwathapura. The event was organized in collaboration with KMC-Mangalore, Lions Clubs of Muchuru and Kallamundkuru, and various local organizations.

The blood donation camp commenced at 9:00 AM. The volunteers joined their hands in setting up the donation area, waiting and resting area for the donors, organizing the medical equipment, the registration process and the issue of donor certificates. Volunteers also monitored the donors' well-being and offered support if required. The blood donation camp concluded at 2:00 PM.

Outcome: The blood donation camp at Ashwathapura generated significant results in terms of voluntary blood donations and community involvement. A total of 82 donors came forward to donate blood. The event also succeeded in raising awareness about the importance of blood donation, dispelling myths and misconceptions, and encouraging a culture of voluntary blood donation within the community. The volunteers imbibe a sense of civic responsibility, learn to work in a team, practice organizational and time management skills, develop leadership skills, and develop empathy and compassion.

11. Seva Diwas on 17.09.2022

The objective of the Indian Swachhata League was to engage youth in a competitive spirit to foster cleanliness and sustainability in cities across India. With over 1,800 cities participating, the aim was to build garbage-free cities by setting up city teams and organizing activities on Seva Diwas, held on the 17th of September in association with Town Municipal Council, Moodbidri. 26 NSS volunteers actively participated in the event. Our team was given a stretch of about 3 km, and through various teams on various routes, the entire Moodbidri town was covered under the cleaning event.

Outcome: The combined efforts of city teams, citizens and the volunteers led to visible improvements in cleanliness, waste management, and awareness levels.

Key outcomes include: Significant waste removal and proper disposal during cleanliness drives; Increased awareness among residents about waste segregation and responsible waste management practices; Enhanced community engagement and collaboration for a cleaner and healthier environment; Empowerment of youth as change agents, leading the way towards garbage-free cities; Strengthening of the Swachh Bharat (Clean India) mission through widespread citizen participation.

12. Volunteering in Alva's Pragathi, A Mega Job Fair (14th & 15th October 2022)

The objective of the Mega Job Fair, Alva's Pragathi, organized by Alva's Education Foundation, Moodbidri, was to provide a platform for job seekers to connect with potential employers and explore career opportunities. The National Service Scheme (NSS) volunteers actively participated in the event held on 14th and 15th of October 2022, undertaking various responsibilities to ensure its smooth execution and maximize its benefits for the participants. A team of 40 volunteers shouldered various responsibilities such as registration and guidance, crowd management, assistance at employer stalls, information desks, feedback collection, and so on.

Outcome: The participation of NSS volunteers at Alva's Pragathi Mega Job Fair significantly contributed to its success and positive impact. Their dedicated efforts in managing crowd flow, assisting employers, and providing guidance to job seekers ensured a seamless experience for all participants. The volunteers got an opportunity to learn to work in a team, practice organizational and time management skills, develop leadership skills, and develop empathy and compassion.

Sir,

The following students listed below from your department are volunteering for the cleaning activity between Sornadu and Moodbidri, on the occasion of International Cultural Jamboori:-2022. The route is approximately 24 km long, and the cleaning work is scheduled to take place over five days, from 22nd to 25th of December 2022. The same team will be in action on 26th December 2022 also, during the proposed cleaning activity at Moodbidri limits.

In this regard, I request you to kindly permit them to participate in the cleaning activities from 22.12.2022 to 26.12.2022 and their absence during the period may kindly be treated as "days of presence" for considering the attendance criteria.

A mega cleaning work is scheduled to take place over five days, from 22nd to 25th of December 2022 on the occasion of International Cultural Jamboori-2022. The Science Mela is another event during the same period, and volunteers are being given the opportunity to shoulder various responsibilities. Those who are willing to be a part of any of the events may contact the NSS Program Officer on or before 14.12.2022.

13. Volunteering International Cultural Jamboori – 2022

The Bharath Scouts and Guides, Karnataka, International Cultural Jamboori, was hosted by AEF, Moodbidri, from 22nd to 28th December 2022, was a grand celebration of cultural diversity and international harmony. The event aimed to bring together participants from various countries, showcasing their rich cultural heritage, promoting cross-cultural understanding, and fostering global unity. The National Service Scheme volunteers shouldered a range of responsibilities to ensure its success. The volunteers eagerly engaged in a cleaning effort that was scheduled for these days, covering a distance of around 24 km in each segment. A few volunteers coordinated with the Science Mela event that was a part of the Jamboori.

Outcome: Volunteers gained a wide range of valuable learnings. From developing leadership and teamwork skills to enhancing communication and problem-solving abilities, their involvement in this event provided them with a transformative experience. They learned the importance of effective coordination, adaptability, and time management in event management. This experience reinforced their commitment to service and civic engagement, inspiring them to make positive contributions to society.

14. Blood Donation Camp on 05.01.2023

As blood banks in Dakshina Kannada ran out of supplies, the Indian Red Cross Society (IRCS), Mangalore took the initiative by contacting Alva's Institute of Engineering and Technology, Mijar, which is always at the forefront of such social connect programs. Within a short span of two days from the day of the request by IRCS, the YRC, NSS and NCC units of AIET, in association with Alva's Homoeopathic Medical College and Alva's College of Naturopathy and Yogic Sciences, jointly organized the blood donation camp at AIML Lab, AIET, on January 5, 2023.

The camp was inaugurated by Dr. J. N. Bhat, Medical Officer, IRCS Blood Bank, in the august presence of Sri Vivek Alva, Managing Trustee, AEF, and the Principal, Dr. Peter Fernandes. Dr. J. N. Bhat, addressed the gathering and explained how such camps help meet medical emergencies with statistical information and how crucial the camp arranged for them is. According to their requirement, IRCS collected 150 units of blood, and 32 units were collected by Alva's Rotary Blood Bank, Moodbidri, which was also invited on the day of the event.

Outcome: The volunteers learned to accomplish the major responsibilities, like campaigning the event and motivating the students to donate blood, preparing and displaying posters and banners, arranging the venue according to the blood bank requirements, arranging the stage for the inauguration, arranging the food facility for the doctors and staff, maintaining the donors' records for future needs, and so on. They also learned about human values, civic sense, social commitment, duties, and responsibilities.

15. Free Health Check-up Camp on 05.02.2023

Health is of utmost importance for a healthy and prosperous life. To ensure that everyone has access to medical care, a free health check-up camp is organized in Adarsha P U Composite college, Mijar. The YRC & NSS units of AIET, Lions Club Moodbidri, Samskruthika Kala Vedike & Mahila Ghataka, Ashwathapura jointly organized this mega health check-up camp. Experienced doctors and medical professionals from Alva's Health Center, Moodbidri, K M C Hospital, Mangalore and A J Hospital and Research Center, Mangalore participated in the camp.

General health check-ups, paediatric care, gynecologic cancer screening (breast and cervical), obstetrics and gynecology, dental care, eye care, and such facilities were provided for the residents in and around Mijar. Apart from the free consultation, free investigations like blood pressure, blood sugar level, blood group, and ECG were also provided to identify any potential health issues before they become serious. More than 140 residents have been benefited out of this camp.

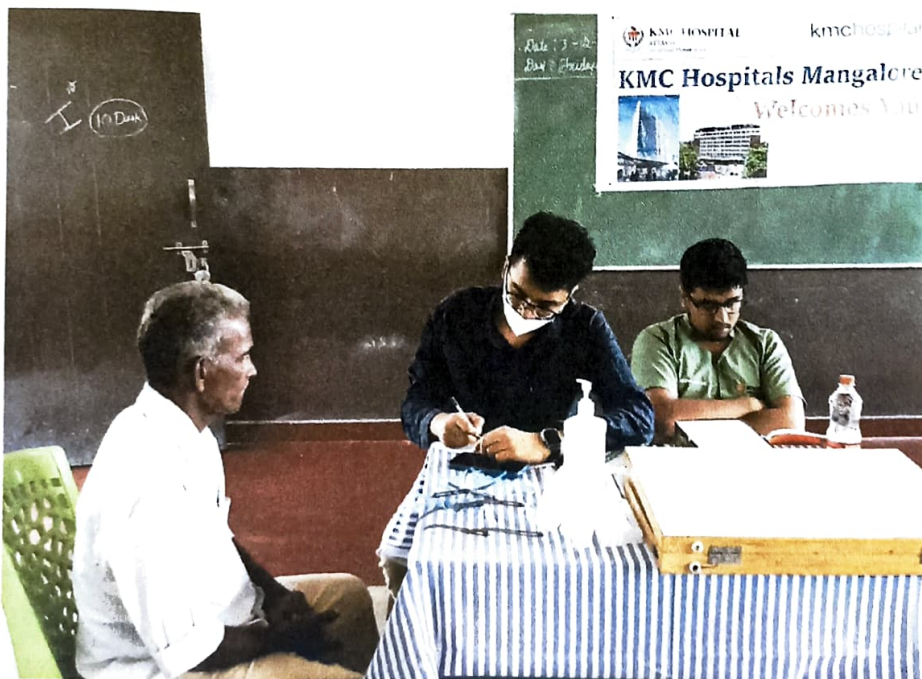

Outcome: The volunteers had direct contact with the society and helped and guided the patients empathetically. Students got an opportunity to learn to make decisions on their own, to be leaders, to work in groups, to extend service quickly, and to get along with people of all backgrounds. The volunteers can confidently organize such events independently, as they worked at all levels in organizing this camp.

Activity Report: Cleaning Activity Conducted on 19.03.2023

On 19th March 2023, a cleaning activity was organized by the National Service Scheme (NSS) unit of AIET. The primary objective of this activity was to promote cleanliness and create awareness about the importance of maintaining a clean and hygienic environment.

A total of 24 NSS volunteers from AIET actively participated in the cleaning activity, accompanied by the NSS Program Officer. The activity began at 6.30 AM with a brief orientation about the importance of cleanliness and waste management. Volunteers divided themselves into smaller groups and enthusiastically worked together to collect and dispose of the plastic and other wastes. The cleaning drive lasted for 2.5 hours, from 6.30 AM to 9:00 AM.

Outcome:

Volunteers participating in cleaning events learn about environmental challenges, such as littering and pollution, and their impact on the community. They develop a sense of responsibility and ownership for the environment, understanding their role in maintaining cleanliness. Through teamwork and collaboration, volunteers enhance their communication and coordination skills.

Activity Report: Beach Cleaning Activity Conducted on 28.05.2023

With an objective of promoting environmental conservation and raising awareness about the importance of keeping our beaches clean, NSS conducted a beach cleaning event at Thanneerubavi Beach on 28.05.2023 in association with Srishthi Club. A total of 75 volunteers participated in the beach cleaning event. The participants consisted of environmental enthusiasts, and members from various community organizations.

Buses to Thanneerubavi Beach started from the campus at 5.15 AM and reached the destination. The event started at 6:30 AM with a briefing session by the managing trustee, Sri Vivek Alva, AEF-Moodbidri. The participants were given an overview of the importance of beach cleaning and the potential environmental impacts of litter. The participants were divided into smaller groups, each assigned to a specific section of the beach. They worked together to collect litter, debris, and other waste materials from the shoreline and surrounding areas. The participants were encouraged to segregate the collected waste into different categories like plastic, glass, foam, rubber etc., to facilitate proper recycling and disposal. The beach cleaning event concluded at 10:00 AM.

Outcome: The beach cleaning activity at Thanneerubavi Beach yielded significant results. The participants managed to collect a substantial amount of waste, including plastic and glass bottles, food wrappers, discarded flip-flops & shoes, thermocol and other debris. Approximately 175 large bags of waste were collected and properly disposed of. Such initiatives foster a sense of community responsibility and encourage sustainable practices for a better future among the participants.

Activity Report: Donation of School Essentials to Underprivileged Children on 01.06.2023

On 01.06.2023, NSS, Samskruthika Kalavedike – Ashwathapura, various other organizations, and local community members jointly conducted a donation drive at Govt. Primary School - Neerkere, aimed at providing school essentials to underprivileged children. The objective of the activity was to support these children in their educational journey by equipping them with necessary supplies.

We reached out to individuals, businesses, and organizations to collect school essentials such as notebooks, pens, pencils, erasers, rulers, backpacks, and other necessary items. The response from the community was overwhelming, with numerous contributions received. From the account being maintained by the Samskruthika Kalavedike-Ashwathapura, a sum of Rs. 49950/- has been invested for the event out of the Rs. 62500/- donation received. On the designated day, the items collected were distributed ensuring that every child received a comprehensive set of supplies to aid their academic pursuits.

Outcome: A total of 350 underprivileged students at Govt. Primary School - Neerkere benefited from this initiative. By receiving the necessary school essentials, these children are now better equipped to actively engage in their education. The provision of basic supplies aims to alleviate financial burdens on their families and create a conducive learning environment. By providing school essentials to underprivileged children, we have taken a step toward empowering them academically and promoting inclusivity in education.

Activity Report: River Cleaning at Under Bridge, Venoor (Phalguni River) on 11.06.2023

On 11.06.2023, a river cleaning activity was conducted jointly with NSS unit of Alva's Degree College, Moodbidri, at the under bridge in Venoor, where the Phalguni River flows. It was observed that despite the absence of water flow, a significant amount of waste, including plastic bottles, wrappers, discarded items, and other debris, had accumulated in the riverbed.

Sri Vivek Alva, briefed about the importance of this cleaning activity and employed a systematic approach to clean the riverbed thoroughly, ensuring that all visible waste was removed. The collected waste was segregated into different categories for proper disposal and recycling. Around 85 volunteers from both the institutes, including residents, and civic organizations, participated in the activity, promoting a sense of responsibility and environmental stewardship.

Outcome: Volunteers successfully cleaned up a significant amount of waste that had accumulated in the riverbed. The removal of this waste helps prevent pollution and potential environmental hazards once the river regains its flow.

Through this activity, we were able to create awareness among the local community about the detrimental effects of littering and the importance of keeping rivers clean. By actively involving community members, we fostered a sense of ownership and responsibility towards the environment.

Activity Report: Mega Plantation Activity at Pacchanadi Dump Yard, Mangaluru on 09.07.2023

On 09th July 2023, a significant mega plantation activity was organized jointly by the National Service Scheme (NSS) and National Cadet Corps (NCC) units of AIET and Alva's Degree College, in collaboration with Vana Charitable Trust, Mangalore. The event aimed to surround the dump yard at Pacchanadi, Vamanjoor, Mangaluru, by planting 1000 plants. The objective of the event was to raise awareness about the importance of environmental conservation and the role of tree plantation in mitigating climate change.

The mega plantation activity commenced at 7:00 AM on the designated date. The organizers carefully selected a diverse range of plant species suitable for the local ecosystem, ensuring the long-term sustainability of the green area. Prior to the plantation, Sri Vivek Alva, Managing Trustee, AEF, conducted a brief session on the significance of tree plantation, and the importance of preserving biodiversity. The participants, armed with gardening tools and saplings, worked diligently to plant the 1000 trees within the designated area. The volunteers showcased remarkable teamwork and enthusiasm throughout the day.

Outcome: The initiative exemplified the potential of collaboration between academic institutions and non-profit organizations in promoting sustainable environmental practices. By working together, they demonstrated their commitment to safeguarding the environment for future generations. The rejuvenation of the Pacchanadi dump yard stands as a testament to the power of collective action and environmental consciousness.
