### Activity Report: Beach Cleaning Activity Conducted on 28.05.2023

With an objective of promoting environmental conservation and raising awareness about the importance of keeping our beaches clean, NSS conducted a beach cleaning event at Thanneerubavi Beach on 28.05.2023 in association with Sristhi Club. A total of 75 volunteers participated in the beach cleaning event. The participants consisted of environmental enthusiasts, and members from various community organizations.

Buses to Thanneerubavi Beach started from the campus at 5.15 AM and reached the destination. The event started at 6:30 AM with a briefing session by the managing trustee, Sri Vivek Alva, AEF-Moodbidri. The participants were given an overview of the importance of beach cleaning and the potential environmental impacts of litter. The participants were divided into smaller groups, each assigned to a specific section of the beach. They worked together to collect litter, debris, and other waste materials from the shoreline and surrounding areas. The participants were encouraged to segregate the collected waste into different categories like plastic, glass, foam, rubber etc., to facilitate proper recycling and disposal. The beach cleaning event concluded at 10:00 AM.

**Outcome:** The beach cleaning activity at Thanneerubavi Beach yielded significant results. The participants managed to collect a substantial amount of waste, including plastic and glass bottles, food wrappers, discarded flip-flops & shoes, thermocol and other debris. Approximately 175 large bags of waste were collected and properly disposed of. Such initiatives foster a sense of community responsibility and encourage sustainable practices for a better future among the participants.

## Activity Report: Donation of School Essentials to Underprivileged Children on 01.06.2023

On 01.06.2023, NSS, Samskruthika Kalavedike – Ashwathapura, various other organizations, and local community members jointly conducted a donation drive at Govt. Primary School - Neerkere, aimed at providing school essentials to underprivileged children. The objective of the activity was to support these children in their educational journey by equipping them with necessary supplies.

We reached out to individuals, businesses, and organizations to collect school essentials such as notebooks, pens, pencils, erasers, rulers, backpacks, and other necessary items. The response from the community was overwhelming, with numerous contributions received. From the account being maintained by the Samskruthika Kalavedike-Ashwathapura, a sum of Rs. 49950/- has been invested for the event out of the Rs. 62500/- donation received. On the designated day, the items collected were distributed ensuring that every child received a comprehensive set of supplies to aid their academic pursuits.

**Outcome:** A total of 350 underprivileged students at Govt. Primary School - Neerkere benefited from this initiative. By receiving the necessary school essentials, these children are now better equipped to actively engage in their education. The provision of basic supplies aims to alleviate financial burdens on their families and create a conducive learning environment. By providing school essentials to underprivileged children, we have taken a step toward empowering them academically and promoting inclusivity in education.

**Activity Report: River Cleaning at Under Bridge, Venoor (Phalguni River) on 11.06.2023**

On 11.06.2023, a river cleaning activity was conducted jointly with NSS unit of Alva's Degree College, Moodbidri, at the under bridge in Venoor, where the Phalguni River flows. It was observed that despite the absence of water flow, a significant amount of waste, including plastic bottles, wrappers, discarded items, and other debris, had accumulated in the riverbed.

Sri Vivek Alva, briefed about the importance of this cleaning activity and employed a systematic approach to clean the riverbed thoroughly, ensuring that all visible waste was removed. The collected waste was segregated into different categories for proper disposal and recycling. Around 85 volunteers from both the institutes, including residents, and civic organizations, participated in the activity, promoting a sense of responsibility and environmental stewardship.

**Outcome:** Volunteers successfully cleaned up a significant amount of waste that had accumulated in the riverbed. The removal of this waste helps prevent pollution and potential environmental hazards once the river regains its flow.

Through this activity, we were able to create awareness among the local community about the detrimental effects of littering and the importance of keeping rivers clean. By actively involving community members, we fostered a sense of ownership and responsibility towards the environment.

**Activity Report: International Day against drug abuse and illicit trafficking on 27.06.2023.**

An awareness program was conducted on the International Day against Drug Abuse and Illicit Trafficking on June 27, 2023, from 9:30 AM to 12:40 PM, in association with YRC & NCC units of AIET, Alva's College of Naturopathy and Yogic Sciences and Alva's Homoeopathy Medical College. Dr. Shrinivasa Bhat U, the Professor and Head of the Department of Psychiatry at K S Hegde Medical Academy, along with Mr. Manoj Kumar Naik, ACP of Mangalore North Subdivision, served as the resource persons.

The program focused on educating attendees about the dangers of drug abuse and illicit trafficking, highlighting preventive measures and avenues for seeking help. Through interactive sessions, presentations, and Q&A sessions, participants gained valuable insights into the societal and individual impacts of substance abuse. The event concluded with a call to action, encouraging attendees to spread awareness and support initiatives aimed at combatting drug abuse and illicit trafficking in their communities.

**Outcome:** The event successfully raised awareness about the harmful effects of drug abuse and illicit trafficking among attendees. Participants gained insights into preventive measures and support avenues, fostering a commitment to combatting substance abuse within their communities.

**Activity Report: Mega Plantation Activity at Pacchanadi Dump Yard, Mangaluru on 09.07.2023**

On 09th July 2023, a significant mega plantation activity was organized jointly by the National Service Scheme (NSS) and National Cadet Corps (NCC) units of AIET and Alva's Degree College, in collaboration with Vana Charitable Trust, Mangalore. The event aimed to surround the dump yard at Pacchanadi, Vamanjoor, Mangaluru, by planting 1000 plants. The objective of the event was to raise awareness about the importance of environmental conservation and the role of tree plantation in mitigating climate change.

The mega plantation activity commenced at 7:00 AM on the designated date. The organizers carefully selected a diverse range of plant species suitable for the local ecosystem, ensuring the long-term sustainability of the green area. Prior to the plantation, Sri Vivek Alva, Managing Trustee, AEF, conducted a brief session on the significance of tree plantation, and the importance of preserving biodiversity. The participants, armed with gardening tools and saplings, worked diligently to plant the 1000 trees within the designated area. The volunteers showcased remarkable teamwork and enthusiasm throughout the day.

**Outcome:** The initiative exemplified the potential of collaboration between academic institutions and non-profit organizations in promoting sustainable environmental practices. By working together, they demonstrated their commitment to safeguarding the environment for future generations. The rejuvenation of the Pacchanadi dump yard stands as a testament to the power of collective action and environmental consciousness.

**Activity Report: Volunteering Alva's Pragati on 6<sup>th</sup> & 7<sup>th</sup> October 2023.**

Alva's Pragati, a continuous and mega job fair by the Alva's Education Foundation, Moodbidri, held on October 6th and 7th, 2023, required a substantial number of volunteers to manage diverse responsibilities. National Service Scheme (NSS) volunteers played a pivotal role in the volunteer team across both days of the event. They actively assisted in tasks such as registration, crowd management, guiding participants, and ensuring smooth operations throughout the fair. Their dedication and commitment significantly contributed to the overall success of the event. As a result, the job fair proceeded seamlessly, providing valuable opportunities for job seekers and facilitating interactions between employers and potential candidates. The involvement of NSS volunteers underscored their proactive engagement in community service and their ability to support large-scale initiatives effectively.

**Outcome:** Through volunteering at Alva's Pragati job fair, NSS volunteers gained valuable skills in communication, organization, and teamwork. They also deepened their understanding of community engagement and developed a sense of responsibility towards society, fostering personal growth and empathy.

**Activity report: Beach Cleaning at Sasihithlu Beach on 03.12.2023**

On December 3rd, 2023, a beach cleaning initiative was organized at Sasihithlu Beach, Mangalore, in collaboration with the Surfing Swamy Foundation, Mulki. The volunteers, from various institutions under AEF, Moodbidri, and environmental enthusiasts from various organizations, equipped with gloves, bags, and litter pickers, diligently scoured the shoreline, collecting litter and debris that had accumulated over time to restore the beach to its pristine state. After several hours of concerted effort, a significant amount of trash was collected and properly disposed of, leaving the beach looking noticeably cleaner and more inviting. The event was concluded by Mr. Vivek Alva, Managing Trustee, AEF, explaining the importance of such initiatives and thanking all the participants for their concern.

**Outcome:** Through this beach cleaning initiative, both participants and the community experienced several tangible benefits. Firstly, the beach environment was visibly improved, enhancing its appeal to visitors and preserving its natural beauty. Additionally, the event fostered a sense of environmental stewardship among participants, empowering them to take proactive steps towards conserving their local ecosystem. Finally, the initiative helped raise awareness about the importance of ocean conservation and the need for sustainable practices within the community.

**Activity report: International Volunteers' Day on 05.12.2023**

An awareness program on First Aid and Disaster Management was conducted on December 5, 2023, from 9:30 AM to 12:40 PM, in commemoration of International Volunteers' Day. Mr. Sacheth Suvarna, the coordinator from YRC, IRCS, Dakshina Kannada, served as the resource person for the event. The program aimed to educate participants about essential first aid techniques and strategies for effective disaster management. Through interactive sessions and demonstrations, attendees gained valuable knowledge and practical skills in responding to emergencies. The event fostered a sense of community preparedness and resilience, empowering volunteers to play proactive roles in times of crisis. Overall, it was a meaningful initiative that underscored the importance of volunteerism and collective action in ensuring the safety and well-being of communities.

**Outcome:** Participants benefitted significantly from the awareness program on First Aid and Disaster Management. They gained a comprehensive understanding of essential first aid procedures and learned practical techniques for effectively managing various types of disasters. This knowledge empowered them to respond confidently and efficiently during emergencies, thereby potentially saving lives and minimizing harm in their communities. Additionally, the program fostered a sense of responsibility and preparedness among participants, equipping them with valuable skills to contribute meaningfully to emergency response efforts.

**Activity report: A talk on "Media – Inclination and Perspective" by Mr. Ajith Hanumakkanavar, on 07.01.2024**

On January 7th, 2024, a guest talk titled "Media – Inclination and Perspective" was conducted by Mr. Ajith Hanumakkanavar, a journalist at Asianet Suvama News, at the V S Acharya auditorium in Vidyagiri, Moodbidri. The event commenced at 2:30 PM and witnessed active participation from attendees, including members of the Rostrum club and National Service Scheme (NSS) volunteers. Mr. Hanumakkanavar delivered an engaging and insightful presentation on the role of media in shaping public opinion, highlighting various perspectives and biases that may influence reporting. During the interactive session, participants posed thought-provoking questions on current events, allowing for an exchange of ideas and perspectives.

**Outcome:** The participants benefitted greatly from the guest talk in several ways. Firstly, they gained a deeper understanding of media dynamics, including the factors that influence reporting and the importance of critical thinking when consuming news. Additionally, the interactive nature of the session facilitated meaningful discussions and encouraged participants to engage with contemporary issues from multiple viewpoints. Overall, the event served as a valuable platform for fostering media literacy and promoting active citizenship among attendees.

**Activity report: Blood Donation Camp at Punarjanma, AHMC, on 10.02.2024**

A blood donation camp was hosted at Alva's Punarjanma, on 10.02.2024, in association with the NSS and YRC units of Alva's Institute of Engineering and Technology, Alva's Homoeopathic Medical College and Alva's College of Naturopathy and Yogic Sciences, with the goal of addressing the acute need for blood in local hospitals and medical institutions, encouraging voluntary blood donation, and raising awareness about the life-saving benefits of blood donation. The event was organised in association with Dt. Wenlock Hospital, Mangalore, IRCS-Mangalore, Alva's Rotary Blood Bank, Moodbidri, and the Lions Clubs of Moodbidri. The blood donation camp began at 9:00 AM. The volunteers worked together to set up the donation room, a waiting and resting area for donors, organise the medical equipment, complete the registration process, and distribute donor certificates. Volunteers also kept track of the donors' well-being and provided assistance as needed. The blood donation camp ended at 2:00 PM and a total of 175 units of blood were collected.

**Outcome:** A total of 175 donors came forward to give blood. The event was successful in promoting awareness about the necessity of blood donation, debunking myths and misconceptions, and fostering a culture of volunteer blood donation in the community. Volunteers gain a sense of civic responsibility, learn to work in groups, practise organisational and time management skills, develop leadership abilities, and develop understanding and compassion.

**Activity report: A talk on "Tribal development and victims of endosulfan" by Daya Bai, an Indian social activist from Kerala, on 13.02.2024**

On February 13, 2024, at Kuvempu Hall in Vidyagiri, Moodbidri, a rostrum talk on "Tribal development and victims of endosulfan" was conducted by Daya Bai, a renowned Indian Social Activist, starting at 2:30 PM. The event witnessed enthusiastic participation from NSS volunteers and other attendees. Daya Bai passionately addressed the issues concerning tribal development and the devastating impact of endosulfan on vulnerable communities. Her talk shed light on the struggles faced by the victims and advocated for their rights and well-being. Overall, the event served as a platform for raising awareness and fostering solidarity towards addressing pressing social and environmental issues affecting vulnerable populations.

**Outcome:** The outcome of the talk was profound, as participants gained a deeper understanding of the challenges faced by tribal communities and the urgent need for holistic development initiatives. Additionally, they were empowered with knowledge and awareness to advocate for change and support initiatives aimed at improving the lives of those affected by endosulfan poisoning.

**Activity report: A cleaning activity at Sri Badagu Mahalingeshwara Mahaganapathi Temple, Alangar, Moodbidri, on 03.03.2024**

On 03.03.2024, a cleaning activity took place at Sri Badagu Mahalingeshwara Mahaganapathi Temple in Alangar, Moodbidri. The event was organized in collaboration with the NSS unit of Alva's Degree College, Vidyagiri, and witnessed the participation of around 80 enthusiastic NSS volunteers from both the institutions. Together, they worked diligently to clean and maintain the temple premises, contributing to the upkeep of this sacred place of worship. The initiative not only promoted cleanliness but also fostered a sense of community involvement and responsibility among the volunteers. Through their collective efforts, the temple was revitalized, creating a cleaner and more welcoming environment for worshippers and visitors alike.

**Outcome:** Through their participation in the cleaning activity at the temple, the NSS volunteers gained a sense of fulfilment from contributing to the upkeep of a sacred space. Engaging in community service fostered a spirit of responsibility and unity among the participants, instilling in them a deeper appreciation for the importance of maintaining cleanliness in public areas.
