REPORT ON ORIENTATION PROGRAM ON CAREER IN DEFENSE

Join the military to serve the nation with pride. On 29th Jan 2019, an orientation program on career in defenses was organized for the NCC cadets of all three wings at Alva's College, Moodbidri.

Many of them do not know how to join the armed forces and what are the educational qualifications required to join them. He motivated all of us by giving many live examples about the situations. He shared his experience in the Indian Army. He also told us that Indian Army makes everyone proud who is from India. He also told what are the exams need to be taken like CDS, SSC etc. He even mentioned about the SSC (Short Service Commission) for NCC special entry scheme. He then told us about the benefits as a soldier and as a officer. He told that Indian Army does not only gives you guns and tells you to go to the border but it gives you opportunity to serve to serve as how you wanted to serve the nation. He also mentioned that in other jobs there is not much salary given to you for your educational qualification but the Indian Army gives you enough salary and it even looks after your family with medical expenses, makes your children study and gives lot more things to you. He then showed us the death rates of road accidents and deaths of soldier in the Army, the death rates of road accidents

were huge in number whereas the deaths of soldiers in the Army were very few. So if we have to die in road accident as nothing or die as a soldier as everything you decide was a beautiful quote made by him. Then the program was ended with answering to the questions asked by the cadets.
