A BRIEF REPORT of
Certificate Course on Ethics, Values and Society
2020-21 ODD Semester

The department of Physics conducted a certificate course on "Ethics, Values and Society" as a mandatory certificate course for first year ODD Semester physics cycle students. This course was conducted every Saturday during 02-01-2021 to 27-03-2021 at AIET Moodbidri. The course contains 35 hours. The course was handled by the faculty of Physics department namely Dr Ramaprasad A T, Mr Rajesh Kumar P, Dr Shashikumar K and Dr. Jayarama A

The Certificate in Ethics, Values, and Society is an academic program for undergraduates to explore questions about ethics, politics, and social justice across topics and subject areas. Students who obtain this Certificate gain the knowledge and skills necessary to ask practical and applied questions about ethical, legal, social, and political issues, enabling them to dive deeper into their areas of interest and majors. Students also learn about the theoretical foundations of these kinds of inquiries and how to seek out different perspectives and responses.

Even though the course duration was less due to corona pandemic, an objective test was conducted twice during the duration of the course and based on cutoff % of marks and attendance 'Course certificate' was issued to the students. All the students were eligible to obtain certificates and the department of physics issued certificates to the students. 195 students have successfully completed the course.
