The Department of Physics conducted a certificate course on "Ethics, Values and Society" as a mandatory certificate course for first year ODD Semester physics cycle students. This course was conducted every Saturday during 08-08-2018 to 17-01-2019 at AIET Moodbidri. The course was handled by the faculty of Physics department namely Dr. Ramaprasad. A.T, Dr. Jayarama A, Dr. Shashi Kumar K, Mr. Rajesh Kumar .P, Mr. Viju Francis and Ms. Ashwini A.R. The Certificate in Ethics, Values, and Society is an academic program for undergraduates to explore questions about ethics, politics, and social justice across topics and subject areas.

Students who obtain this Certificate gain the knowledge and skills necessary to ask practical and applied questions about ethical, legal, social, and political issues, enabling them to dive deeper into their areas of interest and majors. Students also learn about the theoretical foundations of these kinds of inquiries and how to seek out different perspectives and responses. It is found that they have broad understanding of society and relationships and their character was nurtured as an essential quality by which they would understand and fulfill responsibility as an engineer, a citizen and a human being. Further, this certificate course helped them to build relations between teachers and students, and give a broader view of life, and build character.. 149 students have got benefitted out of this course.
