Respected Sir,

**Sub: Kaliyona Computer -Rural Computer Education Camp reg.**

With reference to the above cited subject, CMANIAX Forum students are planned to conduct the Kaliyona Computer Camp at SVPU College, Gangoli, Kundapur Tq., Udupi Dist from 13/02/2017 to 15/02/2017. I request you to give the permission for the same.

Also, I request you to permit the faculty coordinators to accompany the group of 20 students during the same program.

Thanking you,

  
Yours sincerely

## **“KALIYONA COMPUTER-Rural Computer Education Camp”**

**DATE & VENUE:** 13<sup>th</sup> -15<sup>th</sup> FEBRUARY 2017 at S.V.P.U College, Gangolli, Kundapura Taluk, Udupi Dist.

The final year students of Computer Science & Engineering, Alva's Institute of Engineering and Technology, Moodbidri conducted a 3-days Rural Computer Education Camp-Kaliyona Computer for the Kannada Medium students of S.V.P.U College, Gangolli, Kundapura from 13<sup>th</sup> to 15<sup>th</sup> February. The programme was formally inaugurated on 13<sup>th</sup> February at S.V.P.U Auditorium at 10 am by Principal of AIET, Dr. Peter fernandes along with SVPU College President Sri. Ganesh Kamath, Trustee KashinathPai and Secretary SadhashivNayak.

Soon after the inauguration, the students began their training session by introducing them about what exactly is a computer? What is its importance and how it evolved? What are the major hardware parts and majors software's found in a computer were dealt in detail. There was a one to one interaction session with the students. Lot of doubts and questions raised by the SVPU students were well handled by the Alva's students. In the afternoon, hands-on sessions were conducted related to the topics discussed in the morning. The students seemed to be very interested and enthusiastic about the session and were comfortable in using and getting to know well about the computers.

The next day started well with an introduction about UNIX systems, how they changed the world by the concept of free access and software. All the existing Android, Windows all have an internal kernel, which is actually derived from the UNIX system. The UNIX gives user the freedom and advantage to do whatever changes, modifications, research related to any field of his interest by easily developing, distributing the software's or code free of cost available to everybody throughout the world. The hands session on that day consisted of getting to know some UNIX commands such as mkdir, cd etc., to create, delete, change directories and other things by making use of the Terminal available in a Linux distribution which is nothing but UNIX like in nature.

The final day contained the major task of installing a Linux Operating System such as Puppy Linux. The students were first shown how to install the Linux, later all students were given a chance to try themselves out. The various processes involved such as booting the Linux, system software's and some application software's were discussed. Later the day concluded by a demonstration of how to use a Net banking, book a bus or train ticket, how to use online payment system such as Paytm, Free charge etc., were discussed consisting of separate session both for faculties as well as for students.

The Kaliyona Computer thus proved to be a successful event and numerous people were responsible for this. Firstly, Mr. Vivek Alva, Managing trustee of AEF for his constant support and motivation, the Principal of AIET and HOD of CSE for their valuable feedback and support. Mr. Edwin, in-charge of Linux Research Lab of AIET for his support in training the eighth semester students in the installation and using of Puppy Linux. Overall, the feedback given by the students was positive and more and more such community events would be seen from the computer science students in the near future.

About 268 students of the 8<sup>th</sup> & 9<sup>th</sup> Standard and First PU of S.V.P.U College, Gangolli, Kundapura, Karantaka were actively participated in the 3 days "Kaliyona Computer-Rural Computer Education Camp". The 3 faculty members of the department of CSE were accompanied during the program and guided AIET students in this teaching learning process. The institution donated the 7 computers to the S.V.P.U, College for students learning purpose. All the students of the SVPU College were happily participated and AIET students were cleared the doubts regarding computer fundamentals. This extension activity helped both AIET and SVPU College students with a great fulfillments.

## **“KALIYONA COMPUTER-Rural Computer Education Camp”**

***Date & Venue : 17<sup>th</sup> to 19<sup>th</sup> January, 2018 at J.E.M High School, Kalasa, Chikkamagaluru Dist.***

Department of Computer Science & Engineering student's association C-Maniax Forum conducted a Rural Computer Education camp in J.E.M High School, Kalasa. The program was formally inaugurated on 17<sup>th</sup> January, 2018 at J.E.M High School, Kalasa by HOD of CSE department Dr. Manjunath Kotari with Kalasa Education Society President Mr. Shreekanth, Secretary Mr. Gopinath Pai, Joint Secretary Mr. Narendra and Head Mistress Mrs. Sunanda. Mr. Hemanth Kumar N P, Mr. Vivek Sharma, Ms. Shruthi Shetty J and Ms. Ankitha Shetty were present during the inauguration function.

Soon after the inauguration, the students began their training session by introducing them about what exactly is a computer? What is its importance and how it evolved? What are the major hardware parts and major software's found in a computer were dealt in detail. There was a one to one interaction session with the students. Lot of doubts and questions raised by the JEM students were well handled by the Alva's students. In the afternoon, hands-on sessions were conducted related to the topics discussed in the morning. The students seemed to be very interested and enthusiastic about the session and were comfortable in using and getting to know well about the computers.

The next day started well with an introduction about UNIX systems, how they changed the world by the concept of free access and software. All the existing Android, Windows all have an internal kernel, which is actually derived from the UNIX system. The UNIX gives user the freedom and advantage to do whatever changes, modifications, research related to any field of his interest by easily developing, distributing the software's or code free of cost available to everybody throughout the world. The hands on session on that day consisted of getting to know some UNIX commands such as mkdir, cd etc., to create, delete, change directories and other things by making use of the Terminal available in a Linux distribution which is nothing but UNIX like in nature.

The final day contained the major task of installing a Linux Operating System such as Puppy Linux. The students were first shown how to install the Linux, later all students were given a chance to try themselves out. The various processes involved such as booting the Linux, system software's and some application software's were discussed. Later the day concluded by a demonstration of how to use a Net banking, book a bus or train ticket, how to use online payment system such as Paytm, Free charge etc., were discussed consisting of separate session both for faculties as well as for students. The students were given with how to develop a website by using HTML etc was taught during this camp. Also students were taught with C Programming introduction during this course.

The 3 days Rural Computer Education camp in J.E.M High School, Kalasa, Karanataka enlighten 326 High School students with a great fulfillment in computer fundamentals. About 40 students of AIET and 4 faculty members were accompanied the camp with great enthusiasm. Students of the JEM High School were more receptive in asking doubts about computers and its usages. This camp helped the AIET students in terms of their personality development and communication skills. The AIET students were gained a special experience by teaching computer fundamentals to the school children's.

## **“KALIYONA COMPUTER-Rural Computer EducationCamp”**

**DATE & VENUE: 2<sup>nd</sup> Nov to 3<sup>rd</sup> Nov 2018 at Rural Computer Education Camp to students of Govt Kannada Medium School, Mavina Katte, Marodi,**

Kaliyona Computer was organized by CMANIAX forum from 2<sup>nd</sup> Nov to 3<sup>rd</sup> 2018, Rural Computer Education Camp to students of Govt Kannada Medium School, Marodi. Inuagration was done by Ravindra Poojari, President of Lion's Club, Shirthadi, Dr. Peter Fernandes, Alva's Engineering College Principal and Dr. Kurian, Alva's Degree college Principal. Further there was an orientation about Kaliyona Computer leadby Shreyas Rao,Event Coordinator followed by forum coordinators.

Giving the Basic knowledge of MS-Word, MS-Excel, Paint etc. Giving the basic knowledge about MS-Word which is extraordinarily useful for them and allows to be more creative and also opens up a wide range of knowledge. MS-Excel is done as essentially with set of formulas to calculate the values. These values have been calculated by using formulas. By this student have understood slightly about how to use MS-Excel. Our student coordinators taught how to use paint option in computer and how to use it.

Entire two days the students were able to learn the basic knowledge of MS-Office and paint. Our student coordinators gave few assignments to judge whether the students have learnt the concepts. Student coordinators included brain storming sessions like quiz. The entire session was students completely filled with enthusiasm and made the session more interactive and showed lot of interest and we encouraged them by distributing chocolates.

Nearly 145 students of the 8<sup>th</sup> & 9<sup>th</sup> Standard of Govt. Kannada Medium High School, Marodi, Dakshina Kannada Dist, Karantaka were actively participated in the 3 days “Kaliyona Computer-Rural Computer Education Camp” and get benefited by the program. About 25 Final year students and 4 faculty members of the department of CSE were participated in the program. The institution donated the 4 computers to the school. Most of the school students doubts related to computer fundamentals were cleared with real-time examples. The AIET students were gained a special experience by teaching computer fundamentals to the school pupils.

## TRANSLATION OF APPRECIATION LETTER

"Alva's Institute of Engineering and Technology, Moodabidri" hosted a program "Kaliyon Computer" in our institute "Government Upgraded Primary School, Mawinakatte" on 2.11.2018 and 3.11.2018. Our students who have no knowledge of computers have benefited greatly from this program. Also, two computers have been donated to our organization on the grounds that this education should not be limited. It is a matter of pride that this workshop has enabled us to lay the foundation for our students' future life by providing computer education in classrooms with other curriculums in the near future.

We are also congratulate the organization for this excellent program, this activity is helpful and beneficial for rural students.

## **“KALIYONA COMPUTER-Rural Computer Education Camp”**

**DATE & VENUE: 22<sup>ND</sup> -23<sup>RD</sup> OCTOBER 2019 at GOVT KANNADA MEDIUM HIGH SCHOOL, Januvara katte, Udupi Dist.**

Department of Computer Science & Engineering student's association C-Maniax Forum conducted a Rural Computer Education camp in Govt Kannada Medium High School, Januvara katte. The program was formally inaugurated on 22<sup>nd</sup> October 2019 at Govt Kannada Medium High School, Januvara katte by Principal of AIET Dr. Peter Fernandes, HOD of CSE department Dr. Manjunath Kotari and Headmaster Mr. VijayKumar, Mr. Harish Kunder, Mr. Vivek Sharma, Ms. Shruthi Shetty J and Ms. Ankitha Shetty were present during the inauguration function.

Soon after the inauguration, the students began their training session by introducing them about what exactly is a computer? What is its importance and how it evolved? What are the major hardware parts and majors software's found in a computer were dealt in detail. There was a one to one interaction session with the students.

given a chance to try themselves out. The various processes involved such as booting the Linux, system softwares and some application softwares were discussed. Later the day concluded by a demonstration of how to use a Netbanking, book a bus or train ticket, how to use online payment system such as GooglePay, Paytm, Freecharge etc., were discussed consisting of separate session both for faculties as well as for students.

About 20 Final year students and 3 faculty members of the department of CSE were participated in the program. Totally 178 students of the 8<sup>th</sup> & 9<sup>th</sup> Standard of Govt Kannada Medium High School, Januvara Katte, Udupi Dist, Karantaka were actively participated in 3 days “Kaliyona Computer-Rural Computer Education Camp” and get benefited by the program. The institution also donated the 5 computers to the above school and students were utilizing the facility. The AIET students were interacted with school children’s and felt very happy while sharing their knowledge. This program encouraged our AIET students to do many such extension activities.

## TRANSLATION OF APPRECIATION LETTER

Alva's Institute of Engineering and Technology-A unit of Alva's Education Foundation Moodbidri, organized a **program of computer education** for rural students of Kannada medium government high school called "**Kaliyona Computer- Rural Computer Education Camp**" in association with Department of Computer Science and Engineering. The program has been continuously going on for the past 7 years in various rural schools. For this academic year, choosing our institute for this program in rural areas of Brahmavar's educational sector on 22.10.2019 and 23.10.2019 has given us immense pleasure.

Our students who have deprived themselves of computer education and who are interested in learning with the basic knowledge of computer education, thank you for your support. You have not only confined students' knowledge to workshops, but also gave them two computers to pursue the same, we are grateful for this. Once again, we thank you whole heartedly for the success of the entire program and we promise to optimism the use of these computers in future.

## **KALIYONA COMPUTER - RURAL COMPUTER AWARENESS CAMP**

**Date and Time: From 19/01/2021 to 20/01/2021 at Sri Bramhi DurgaParameshwari Kannada Medium High School, Kamalashile.**

The final year and pre final computer students of AIET, under the banner of CMANIX forum, conducted a rural computer education camp successfully From 19/01/2021 to 20/01/2021 at Sri Bramhi DurgaParameshwari Kannada Medium High School, Kamalashile. The Rural Computer Education Camp was inaugurated by Dr.Peter Fernandes, Principal, Alva's Institute of Engineering & Technology, Moodbidri along with Mr.Surendra Shetty, Head Master, Sri Bramhi DurgaParameshwari Kannada Medium High School, Kamalashile. The AIET donated the 5 computer systems to the school and Dr.Peter Fernandes, handover the systems to Head Master during inauguration.

The intention of the camp was to provide some basic knowledge to the eighth and ninth standard students of rural government Kannada medium students. The program was divided into morning and afternoon session. The eighth standard students were targeted in morning and the ninth standard in the afternoon respectively. The various basic components of the computer was shown to the students such as RAM memory, Hard disks, CD/DVD drives,

pen drives, keyboard, mouse and so on. The input unit, the processing unit (CPU) and the output units were discussed in detail.

Soon after some theory session, all the students got the chance to experience to try out some basic computer operations such as opening of an application such as Paint, Notepad, MS Word, Music and Video Players and so on. The basics of mobile technology as well as Internet were covered. Some notes about how to start a computer using power button how to shut down computers were shown.

The camp included only very basic information being shared as the students were very new to computers. The hospitality given by the school teachers were laudable and were very cooperative. The camp allowed mutual benefit both for high school students and for our computer science students as they realized how satisfying is to teach such students and bring about computer awareness in this 21<sup>st</sup> century.

About 89 students of the 8<sup>th</sup> Standard of Sri Bramhi DurgaParameshwariKannada Medium High School, Kamalashile were actively participated in the 2 days “Kaliyona Computer-Rural Computer Education Camp”. The 3 faculty members of the department of CSE were accompanied during the program and guided AIET students in this teaching learning process. The institution donated the 5 computers to the School for students learning purpose. All the students of the Sri Bramhi DurgaParameshwariKannada Medium High School, Kamalashile were happily participated and AIET students were cleared the doubts regarding computer fundamentals. This extension activity helped both AIET and School students with a great fulfillments.

## APPRECIATION LETTER

We appreciate that, Department of Computer Science & Engineering, Alva's Institute of Engineering & Technology, Moodbidri students organized a 2 days Rural Computer Education Camp at our School Sri Bramhi DurgaParameshwari Kannada Medium High School, Kamalashile . The computer awareness program was organized for 8<sup>th</sup> & 9<sup>th</sup> Standard students. During this program about 181 students of our school got benefitted by this program. All the students were enjoyed a new type of leaning in our campus. Also, we are very much grateful to Alva's Engineering college for providing a 5 Computers to our School.

We acknowledge all the staff, and students of Alva's Engineering college for providing this opportunities to our students.

### Daan Utsav Report 2016-17

As part of Daan Utsav, a group of students from the final year had spent a day at St.Mary's Old age Home, Suratkal on 24<sup>th</sup> September, 2016. They interacted with the people of the old age home, spent quality time and gave them some essential items that they required.

Fig: St.Mary's Old age Home Interaction

Fig: Chetana Special School Interaction

A group of students had also spent a day with the students of Chetana Special School, Karkala on 6<sup>th</sup> October, 2016. They spoke to the students and got to know that most of them excelled in sports and the school lacked sufficient sports equipments. The students bought the required sports equipments and supplied to students of the special school along with caps required for their NCC march past.

## DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

A group of students spent a day at SDM integrated school, Vamanjoor on 2<sup>nd</sup> October, 2016. On 7<sup>th</sup> October, 2016 some students had visited the students of Govt.school, Yedapadavu and organized a few games and competitions for the students of the school. The students had also contributed a LCD projector to the school.

In order to raise money for the Daan Utsav program, money was raised by conducting a few games and competitions in the college campus after class hours. A total amount of Rs. 63,925/- was raised. An amount of Rs. 10,000 was given to a student from computer science department of our college who was suffering from a medical condition.

A formal function of Daan Utsav was conducted in the college campus on 8<sup>th</sup> October, 2016 from 11:00 a.m onwards at the MBA Seminar Hall, AIET. Praveen and Suparna, students of final year were the MC for the program. A few students from Chetana Special School, a sister from St.Mary's Old age Home, 3 people from SDM integrated school were among the invited guests for the program. The program was officially inaugurated by Dr. Peter Fernandes, Principal, AIET. Raina, a student of 3<sup>rd</sup> year welcomed the gathering. Ms. Kasturi from SDM integrated school led the gathering into prayer by a prayer song. This was followed by the report of events conducted by the forum student coordinator, Raksha Satish. A short film about the events conducted by the students was played. A sister from St.Mary's Old age Home delivered a speech and thanked the students for donating essential items required for the old age home and for spending a day with the people of the old age home. An artist from SDM integrated school spoke a few words. There was a beautiful and touching dance performance by the students of Chetana Special School.

## Translation of Appreciation Letter

We appreciate that a group of students from Electronics and Communication Department, Alva's Institute of Engg. & Technology, Moodbidri have visited our premises on 07/10/2016 and conducted DaanUtsav program. Students of ECE department have conducted few events like paper craft, painting, fun games and spent a day with the students hence it boosted extracurricular activities of our children's. Also in this event they have donated projector for our smart class in the organization.

We grateful for Chairman Dr. Mohan Alva, AEF managing trustee Mr. Vivek Alva, our Principal Dr. Peter Fernandes, our HOD Dr. D.V Manjunatha, Dean Academics Dr. Praveen J and all staff members and students of ECE for making DaanUtsav a grand success.

We look forward to working with your organization in the future endeavors.

Head of the Department

## **AGAMYA-2017**

**“Donate for cause, not for applause”, this was the motto for AGAMYA-2K17.**

To conduct this charity event the place we choose was Saanidhya Special School, Mangalore. “SAANIDHYA”, Residential school and training Centre for differently abled was formed in the year 2003 which stands by the meaning “God’s Place” continues to develop capabilities and talents of differently abled children/adults by providing comprehensive training and pre-employment experience with specially built comfortable residential facilities. This residential school consists of 160 students and 52 faculties. The residential school is in supervision of Mr. Vasanth Kumar Shetty.

We raised funds from almost all the students of AEF and staff members of AIET. After the fund collection the students of department of ECE visited Saanidhya School on 25/10/2017 and conducted few events like paper craft, painting, fun games and spent a day with the students and also provided them snacks.

On 28/10/2017 the students of Saanidhya School were brought to AIET campus for the formal program of AGAMYA. The program was graced by Dr. Peter Fernandes, Principal, AIET, Dr. D.V Manjunatha, HOD Dept. of ECE, Dr. Praveen J, Dean Academics, Mrs. Suma, Assistant administrator, Saanidhya School, Mr. Nishanth Shetty and Mr. Sudhir Hegde, alumni. The program was formally inaugurated by the dignitaries by lighting the lamp. After the inauguration the students were briefed about Saanidhya by Mrs. Suma followed by the presidential speech by Dr. Peter Fernandes where he appreciated the management and students of Saanidhya and also the students of ECE, AIET for conducting such a great event.

The winners of the games conducted on 25/10/2017 at Saanidhya school were awarded with prizes and also the National level winners of different sports were honored.

We also donated one LED Television and tried our best to fulfill their needs.

The students of Saanidhya presented an act on “AMAR JAVAAN” which was attractive and was appreciated by the audience. And the program was concluded with lunch.

DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

We thank our Chairman Dr. Mohan Alva, AEF, our managing trustee Mr. Vivek Alva, our Principal Dr. Peter Fernandes, our HOD Dr. D.V Manjunatha, Dean Academics Dr. Praveen J and all staff members and students of ECE for making AGAMYA a grand success.

Ms. Raina Benita Lobo and Ms. Varshitha C.R compered the program. Mr. Shabaz Khan welcomed the gathering and Ms. Keerthi Wadeyar invoked the blessings of almighty. Ms. Harshitha proposed the vote of thanks.

## **AGAMYA-2018-19**

**"Donate for cause, not for applause"**

"AGAMYA" is a charity event conducted every year under the Electronics and Communication Department's student forum 'Evionics'. Every year for the event, fund is raised from students and faculties of our organization to provide the needy in the society as a charity. It includes orphanages, special school etc. Last year the event was at Roman and Catherine Lobo School for Blind, 2-2-65/5, Kotekani, Mangalore, Karnataka 575006.

This year, the 'Roman and Catherine Lobo residential school for visually impaired was recognized. The school is located in Mangalore north block of Dakshina Kannada. The school aims at providing quality education from Class 1 to 7 in braille (script used for reading and writing of the visually impaired) which includes English, Kannada, Hindi, Science, Mathematics, Social studies etc. The school believes that disability is neither a curse nor a disease and can be resolved with proper guidance and reachability. The school has 30 students whose education is total free of cost. The school is in supervision of Mr. CalistusD'sa, Principal of Roman and Catherine Lobo school.

The fund of this year was done by donating money and conducting fund raising events like technical workshops for the first year BE students on "Introduction of C" and "Arduino Hands on". Various sports events were conducted like cricket and throwball.

On 18/03/2019 Mr. CalistusD'sa was escorted to ALET for the formal program of AGAMYA by the student coordinators. The program was graced by, Dr. D.V Manjunatha, HOD Dept. of ECE, Dr. Manjunath Kotari, HOD Dept. of CSE, Mr. Sachin K Faculty coordinator for students forum, Mr. Dheeraj Shetty, Student President and Mr. Manish Poojary Student secretary. Ms. Aishwarya, student

of final year ECE was the host for the day. The program started by welcoming the chief guest Mr. Calistus D'sa with a floral welcome. Dr. D V Manjunatha spoke to the gathering on the occasion who applauded the student community for taking up the societal issues and helping them. He mentioned that the life lessons learnt at AGAMYA should be followed throughout the life and always help the needy in the society.

## Evionics Agamya 2018-19

### Event Outcome:

- Students were benefitted with great exposure in interpersonal skill, team play, time management.
- Students understood the importance of organizing such event for the social cause.
- Students Donated 4 Almirah to Roman and Catherine Lobo School for Blind, Kotevani, Mangalore
- Donating for cause, not for applause have improved self esteem of the students
- The students organizer have achieved a great satisfaction in participating in this event

## Letter of Appreciation

We appreciate that a group of students from the final year of Electronics and Communication Department, Alva's Institute of Engg. & Technology, Moodbidri have visited our premises and organized activity to our student. Also the ECE department forum Evionics has donated wardrobe to our institute.

So I whole heartedly welcome this gesture from your institute and we look forward to working with your organization in the future endeavors.

### Report on Student's Awareness Program

Students of IVsemester ECE conducted Student's Awareness program in Vivekananda School, Yedapadavu on 12/03/2020. As a part of non credit point activity prescribed by VTU, career guidance was given to SSLC students of Vivekananda School. Student's awareness program was started by IV semester students of ECE on 12/03/2020 at 10 A. M. in Vivekananda School Yedapadavu.

Fig: Inaugural Ceremony at SVPU College

Program was started in the presence of Mr. Pramathkumar, Head master, Vivekananda School, Yedapadavu and Mr. Gangadhar, President, GramaPanchayat, Yedapadavu. Mr. Pramathkumar appreciated students for taking right spirit of giving guidance to SSLC students and helping them to decide their future. Prof. Sudhakara H. M., Prof. Deepakraj and Mr. SudhakarPoonja were present on the Occasion.

Fig: Welcoming Chief Guest for the function

In the awareness program students of IV ECE presented about all possible courses which can be taken up by students. They explained about all disciplines of Engineering and highlighted Scope for ECE Engineering

Lat: 12.99971, Lon: 74.96338

Fig: Orientation for SSLC Students

Students explained role of Electronics in daily life and how advances in Technology can be used for the benefit of the Society. Group of students was made and each group involved in interaction with 10 students of high School. They guided students about how to study for Examinations and how they can learn modern Technologies and improve their creativity. Student's awareness Program was concluded at 4.30 P.M. and work from the students was appreciated by Head master and teachers of Vivekananda School.

**Sub: Appreciation letter for conducting Awareness program.**

Dear Students,

On behalf of the students and staff of Vivekananda School Yedapadavu, I like to thank all students of Alva's Institute of Engineering and Technology for conducting most useful awareness program to our students on 12/03/2020. Your willingness to contribute your valuable time to our students shows your commitment to educate and give required career guidance to the younger generation of nation. The awareness given to our students will really make a difference in our students' educational experience and help them in selecting right path in their future life. I believe your work will help to many students of our school in deciding their future and shine in the days to come.

I especially appreciate all dedicated work from your team in enhancing knowledge of our students. I look forward much more association with you in future.

With regards,

H. O. D.

**“AVANI – KESARD ONJI DINA” 2016-17**

**(23<sup>rd</sup> October 2016)**

Today, Agriculture is considered the most important but highly deprived sector. Most of the farming community belongs to the rural part of the country. There are many challenges faced by farmers such as predicting the climatic changes, selection of the right crop, alternate crop solutions, and so on. To minimize these challenges, Information Technology plays a vital role with the available technology options. The seamless application of Information Technology would help the technologically un-savvy farming community to produce the needed economically beneficial crop. With the motive of creating awareness amongst the farmers on the available technologies and for the students to understand the gross root level of the agricultural sector, The Information Science and Engineering Department forum, “Techgeekz”, conducted a splendid event ‘Avani- Kesard Onji Dina’ on 23<sup>rd</sup> October’ 2016 at Mijarguthu. The event was traditionally inaugurated by Chief Guest, Mr. Jayaram Hegde, Sumathi Plantations, Mijarguthu and Principal, Dr. Peter Fernandes. Principal said that, such events aptly conveys the significance of conserving the nature with utmost care for the future generations. He also focused on traditional mud games and its importance.

**Traditional mud games conducted  
as part of the event**

**Traditional inauguration of the event  
by the Chief Guest**

The whole arena was set for the event, by the students of ISE, a day earlier, with the help of Mr. Sudhakar Poonja and other staff coordinators of AIET. The faculties of ISE and other departments set the pace for mud sports events, by beginning with the running race competition. Many other sports events were conducted like Bomb in the City, Volleyball, Kabaddi, Throwball, Hit the Height, Treasure Hunt, Five Leg Race, Piggy Back, Reverse Race, Human Knot, Relay and Football. Trustee, AEF, Mr. Vivek Alva's participation in games was the highlight of the whole event, students were brimmed with enthusiasm and sportsman spirit.

Phone: 08258-262725, Fax: 08258-262726

### Department of Information Science Engineering

Many students of AIET actively participated in the games and made the event grand and memorable one. Certificates and medals were distributed to the individual winners and trophies were given to the group event winners. Food stalls and even stall games were arranged by the ISE students, the money gained through this would be further given for charity.

The total fund collected of amount Rs.25,000 was donated towards the improvement of faculties in old orphanage campus.

To,  
The Head  
Department of Information Science & Engineering  
AIET , Mijar

Dear Sir ,

I would take this opportunity to thank Department of Information Science & Engineering, Alvas Institute of Engineering , Mijar, for the generous donation of Rs 25,000 made on 18th of February 2017 towards the improvement of facilities in our old orphanage campus. Your commitment towards helping old aged people to get access to support, shelter and good care has made it possible for old helpless people to get the amenities they urgently need. Thanks to your kind donation, we will also be able to purchase few new plastic chairs . We look forward to your continued support. God bless you all.

Thanking You

### **"AVANI – KESARD ONJI DINA" 2017-18**

Today, Agriculture is considered the most important but highly deprived sector. Most of the farming community belongs to the rural part of the country. There are many challenges faced by farmers such as predicting the climatic changes, selection of the right crop, alternate crop solutions, and so on. To minimize these challenges, Information Technology plays a vital role with the available technology options. The seamless application of Information Technology would help the technologically un-savvy farming community to produce the needed economically beneficial crop. With the motive of creating awareness amongst the farmers on the available technologies and for the students to understand the gross root level of the agricultural sector, The Information Science and Engineering Department, under FORUM activity, "Techgeeks", organized the branch fest "AVANI" on 29th OCTOBER, 2017. Dr. Peter Fernandes, Principal, AIET, was the president of the function and inaugurated the fest. Our beloved trustee Mr. Vivek Alva, Head of the department Mr. Jayantkumar A Rathod, all the staff and students were also present for the inaugural function of AVANI 2017. Our beloved Principal Dr. Peter Fernandes explained the importance of mud games to our students.

AVANI also titled as "KESARD ONJI DINA" is basically a MUD GAME event. It was organized in the paddy fields which was located near Vishnumoorthy temple, Thodar. Mr. Sudhakar Poonja from maintenance department helped us in all the ways possible to set up the field, Tents, speakers etc. It was our physical education director who took the responsibility of arranging the referees for the events.. Our beloved trustee Mr. Vivek Alva was also present for AVANI and participated actively in many games.

  
**H. O. D.**

Dept. Of Information Science & Engineering

Mijar, MOODBIDRI - 574 225

**Traditional mud games conducted as part of the event**

Gaming events included Kabbadi, Racing, Reverse Racing, Relay, Football, Volleyball, Tug of war and some free on spot gaming events were also organized with exiting gifts. Students and staff actively participated in various games.

Around 250 students from various department participated in this event. The collected amount will be used for some social purpose, so that needy and poor people are benefited. Winners of the games were awarded with individual medals. Along with Mud games, Stall games were also organized. Food and beverages prepared by the students also made a huge contribution to the success of AVANI. Good support from ISE department students and faculty members, management.

The total fund collected was donated for providing lunch to old age people.

**"AVANI – KESARD ONJI DINA" 2017-18**

**(29<sup>th</sup> October 2017)**

**Event Outcome:**

- Students were benefitted with tremendous exposure in interpersonal skills, team spirit, time management and delegating.
- Students have understood the gross root level of the agricultural sector.
- Students have gained the knowledge on the life style of the farming community and the rural part of the country.
- Farmers have gained the awareness on how Information Technology plays a vital role to minimize these challenges such as predicting the climatic changes, selection of the right crop, alternate crop solutions, and so on, with the available technology options.
- The fund collected through registration for games, were utilized for providing lunch to the old aged people of Mount Rosary Old Orphanage Institution.

Respected Sir ,

Subject : Reg- Donating fund to CRPF(Central reserve Police Force)

With reference to the above subject I would like to bring to your kind notice that department has planned to donate an amount of Rs 50,000/- (Fifty Thousand Only) to the CRPF fund through college account. The amount was collected through social activity CINIFEST-2019. As per the discussion and direction of our beloved managing trustee Mr.Vivek Alva, we are depositing the above mentioned amount to the college account through Finance Officer, Mr.Shantaram Kamal AEF, Moodbidri.

I would like to thank Mr.Vivek Alva, Managing Trustee and you Sir on behalf of entire department for having given an opportunity to conduct such kind of activity through which we can serve the society.

Thanking You Sir ,

15/06/2019

**Report on E-Shikshana (A Rural Education Camp)**

The Department organized E-Shikshana, a Rural Education Camp, to students of Government High School, Neerkere, Mijar, Moodabidri from 24/Feb/2020 to 01/Mar/2020. The program was inaugurated by Prof. Jayantkumar A Rathod, Head of the Department, Prof. Sudarshana K, Coordinator, Prof. Manjunath H R, Ms. Vanyashree M, Mr. Pradeep Nayak, Mr. Poonja and Headmistress of High School, Mrs. Pratima. The headmistress welcomed our faculties and students for this out-reach program. Prof. Jayantkumar spoke about importance of learning computer science in this present generation and highlighted on applications of it in various fields. The students of 4<sup>th</sup> semester taught basics of computer in both software and hardware.

**Inauguration of E-Shikshana event**

There were around 150 students from various classes of the School. AIET students taught them history of computers, software and hardware parts like monitor, keyboard, mouse etc. They also taught them MS Office, Excel, Paint etc. Our students gave them idea about Internet and its usage. Students of Government High School were very keen to learn how to open Gmail account and sending mails.

Alvas Institute of Engineering & Technology

Moodabidri – 574225

Subject : Thanking Letter (Appreciation Letter)

Dear Sir ,

This is to state that the students of 2<sup>nd</sup> year from Alva's Institute of Engineering & Technology organized a " E-Shikshana-(A Rural Education Camp) " to the students of Government High School , Neerkere, Mijar, Moodabidri. This camp helped our students to understand and learn the basics of computers. All students got benefited out of this.

We assure you that we would support you in all possible ways to conduct and organize such kind of social activities in future. We wish them all a very best for their future works.

## INTRODUCTION

As the COVID- 19 pandemic spreads across the globe, millions of people are heeding the advice of health experts to wash their hands. A simple tool to promote public health, hand washing is one of the most effective ways to prevent transmission of disease—not just the corona virus (e.g., COVID-19), but also diarrhoea, cholera, and typhoid. But for 3 billion people around the world who do not have a hand washing facility with water and soap at home, this small action to prevent infection remains out of reach. To address the complicated socio economic and cultural factors that underlie rural problem of open defecation and poor hand washing practices, we took a step forward to make aware of such practices.

Alva's college of engineering and technology started our way from Padu-Marnad which relies on outskirts of Moodubidri on 21th April 2021. The awareness program was planned till six days. Before starting we had a small inauguration program in Padu-Marnad Gram Panchayath. Students segregated in small groups gave some of the safety tips regarding wearing mask, hand sanitizer and assigned some of the areas and started awareness program. Then our students started our way from Gram Panchayath and started visiting houses listed under Gram Panchayath. Masks are a key measure to suppress transmission and save lives. Masks should be used as part of a comprehensive '**Do it all!**' approach including physical distancing, avoiding crowded, closed and close-contact settings, good ventilation, cleaning hands, covering sneezes and coughs, and more. Depending on the type, masks can be used for either protection of healthy persons or to prevent onward transmission. In some of the houses members of the family were not much known regarding the safety and precautionary measures of COVID-19.

College and students already made a plan regarding this issue, so we have designed a pamphlet which shows complete information of steps in protecting themselves from COVID-19. We discussed regarding how to wear mask in correct way.

There are following points.

*Sheela*  
H.O.D.

- Clean your hands before and after taking off the mask.
- Take off the mask from the ear loops, without touching the front of the mask.
- If your fabric mask is not dirty make a plan of reusing it by sanitizing in proper way.
- We gave some information regarding vaccine and made up their mind to get vaccine soon.
- Explained some of the advantages of getting vaccinated.

*Shankar*

**H.O.D.**

Dept. Of Information Science & Engineering  
Alva's Institute of Engg. & Technology  
Mijar, MOODBIDRI - 574 225

## **SAFETY MEASURES**

Maximum safety measures are taken during the visiting of houses. When asked about safety measures we chose to maintain more than 2 feet distance among ourselves, chose hand and surface sanitization technique and opted for avoiding sharing personal items. This again is a positive picture regarding awareness program.

It is important to be careful and take appropriate precautions to be safe from this disease. So, all the participants were aware about safety of themselves.

Below are the protective measures taken during covid-19 awareness program.

- Washed our hands with soap and water regularly
- Used the hand sanitizer with atleast 60% alcohol
- Regularly washed hands before touching eyes, nose and mouth
- Avoided mass gathering when visiting the houses
- Had a mask on hand at all times.
- Carried our own food and drink.

### **Safety Measures by WHO**

- Wear masks while going outdoors, the utility of masks during the Covid-19 pandemic is universally recognized as a crucial step to tackle the ongoing pandemic
- Regularly and thoroughly clean your hands with an alcohol-based hand rubber wash them with soap and water for at least 20 seconds.
- Maintain atleast 2 metre (6 feet) distance between yourself and others
- Avoid going to crowded places
- Avoid touching eyes, nose and mouth
- Must make sure, we, and the people surrounding us, follow proper protocol of pandemic experts. This implies during coughing or sneezing you must need to cover your mouth and nose with your bent elbow or tissue. Then dispose of the used tissue immediately and wash your hands.
- We should follow government advices

So, we followed all the precaution and safety measures during this Covid-19 awareness program a tour maximum as compared to the WHO safety guidelines and make it as a successful one.

*Shekhar*  
**H.O.D.**

Dept. Of Information Science & Engineering  
Alva's Institute of Engg. & Technology  
Mijar, MOODBIDRI - 574 225

## LEARNING OUTCOMES

The main agenda of this program is to promote health recommendations to fight COVID-19 in hundreds of rural and urban communities. This Covid-19 awareness program have helped people to dispel misinformation about the corona virus while promoting precautionary measures like frequent hand washing and wearing masks and also participants to gain more information about this virus outbreak.

By this program, students learned that everyone must take corona virus seriously, and one of the ways to protect against and combat this deadly contagious disease is wearing masks and washing hands.

During this program students gave the information of washing the hands frequently, use antiseptics to clean household items, wear masks in public places, avoid meeting people with colds and coughs, observe physical distance, avoid crowded places, and stay home as much as possible.

Following are the learning outcomes from this awareness program:

1. Who should be diagnosed as COVID-19 infection?
2. Should mask need to be used compulsorily?
3. What is Isolation and Quarantine with respect to COVID-19infection
4. How to wash hands and the techniques
5. How to cover your Cough
6. Feeling sick or having difficulties in breathing, Call the helpline
7. Stay home if you feel unwell or you cough or sneeze
8. Follow your local government health authorities for any kind of treatment with respect to Covid-19 infection.

The vaccine is the final step in our effort to get back to a more normal way of life. Public health measures such as mask wearing, physical distancing and hand-washing were implemented to slow the spread of the virus, and they have proven to work. We should continue with these precautions until enough people are immunized, especially the most vulnerable in our community.

Get vaccinated regardless of whether you already had Covid-19. Studies have shown that vaccination provides a strong boost in protection in people who have recovered from covid-19. Covid-19 is still a threat to people who are unvaccinated. Some people who get COVID-19 can become severely ill, which could result in hospitalization, and some people have ongoing health problems several weeks or even longer after getting infected. Even people who did not have symptoms when they were infected can have these ongoing health problems.

## CONCLUSION

The corona virus disease continues to spread across the world following a trajectory that is difficult to predict. The health, humanitarian and socio-economic policies adopted by countries will determine the speed and strength of the recovery. The COVID-19 pandemic has affected the world in various ways. The deficiency of information, the need for accurate information, and the rapidity of its dissemination are important, as this pandemic requires the cooperation of entire populations. The rapid survey that we conducted had a good response and we show that health care professionals and the general public were quite well informed about the corona virus.

They are aware of the measures needed to be taken to reduce the spread of the disease. The knowledge present allows the authors to speculate that the lockdown in India would be effective. The public receives a large amount of information from social media such as WhatsApp and the medical fraternity and government need to develop strategies to ensure that accurate information needs to be spreaded.

The public awareness is quite high and it is important that the knowledge of communication channels be known and be kept at the topmost priority throughout the pandemic. The awareness not only should be created rural areas but also must be followed by everyone, so that we can have a hold on the virus soon. Only unity can bring the life back to normal. At last, without equity, we cannot end COVID-19, HIV or any pandemic. So, by following guidelines released by government we can fight corona.

Inauguration Verishtra Kreedakoota by chief guest Mr.Jayaram Bhat

A two days sports event “VARISHTA KREEDAKOOTA” was organized by the mechanical student forum MECH MAESTROS on 09<sup>th</sup> and 10<sup>th</sup> January 2021. This sports event highlighted the rural games of India.’

Inaugural function was held on 10th January 2021. Mr.Jayaram Bhat (Manager, Mijar Guttu) & Mr. Abhishek N Shetty (Ekalavya Awardee , Decathlon athlete ) were graced occasion as chief guests of the ceremony along with Mr. Vivek Alva (Managing trustee, AEF) Who presided the

function , Dr. Peter Fernandes (Principal of AIET), Dr. Satyanarayan(HOD of Dept. of Mechanical Engineering) and Prof. Hemanth Suvarna (Coordinator) Mr.Shrivatsa , President student forum Mr. Rajneesh Kumar , Final year student Anchor the event were also present.

Dr. Satyanaryan welcomed the gathering. Mr. Jayaram bhat spoke about the importance of rural games and how it can be used as a motivational tool during the period of Covid. Mr. Abhishek N Shetty remembered his journey from being a student of alvas to international sporting sensation & he thanked Dr. M Mohan Alva for all his support..Dr. Peter Fernandes emphasized the importance of sports in student's life. Mr. Vivek Alva mentioned about the importance of preserving our culture & tradition.

Students were enthusiastically participated & enjoyed different sports events & learnt about different new games.

Many games like Lagori, Kottaligecricket,Tug of war, Vishwaparyatana, Goliaata, slow cycle race, tyre race etc were there played.

Welcome speech by Dr.Satyanarayan

Along with games traditional food items were also served during the event, which was equally relished by students.

The valedictory ceremony Mr. Sudhakar Poonja(Social Activist), Mr. Umesh Rao (Chartered accountant) were the chief guests , event was presided by Mechanical HOD Dr. Satyanarayan. Chief guests in their speech emphasized the importance of sportsman spirit & gave a brief introduction of

Indian rural games. Then prizes were distributed for the winners of the games events. Ceremony was concluded by the vote of thanks by Prof. Hemanth Suvarna.

Price distribution by chief guest

ಇವರಿಗೆ,

Department of Mechanical Engineering,  
Varista Krida Koota Fund,  
Alva's Engineering College,  
Mijar.

ಗೌರವಾನ್ವಿತರೇ,

ಸ್ಕೌಟ್ಸ್ ಗೈಡ್ಸ್ ಕನ್ನಡ ಭವನಕ್ಕಾಗಿ ತಾವು ಈ ದಿನ ನೀಡಿದ ದೇಣಿಗೆ ರೂ.12,725/- (ಹನ್ನೆರಡು ಸಾವಿರದ ಏಳುಸೂರ ಇಪ್ಪತ್ತೈದು)ವನ್ನು ಅತ್ಯಂತ ಕೃತಜ್ಞತಾ ಭಾವದಿಂದ ಸ್ವೀಕರಿಸಿದ್ದೇವೆ.

ನಮ್ಮ ಸಮಾಜಮುಖೀ ಕಾರ್ಯಗಳನ್ನು ಪ್ರೋತ್ಸಾಹಿಸಿ ವಿವಿಧ ರೀತಿಯ ಸಹಾಯ-ಸಹಕಾರ ನೀಡುತ್ತಾ ಬಂದಿರುವ ನಿಮಗೆ ಅಭಿನಂದನೆಗಳು. ನೀವು ನೀಡಿದ ದೇಣಿಗೆಯು 'ಸ್ಕೌಟ್ಸ್ ಗೈಡ್ಸ್ ಕನ್ನಡ ಭವನ'ದ ನಿರ್ಮಾಣಕ್ಕೆ ಸೇರವಾಗಲಿದೆ. ಸ್ಕೌಟ್ಸ್ ಗೈಡ್ಸ್ ಕನ್ನಡ ಭವನವನ್ನು ಅತ್ಯಂತ ಸುಂದರವಾಗಿ ರೂಪಿಸಿ, ಮೂಡುಬಿದಿರೆಯ ಮಹಾಜನತೆಯ ಅಗತ್ಯಕ್ಕೆ ಸ್ಪಂದಿಸಬೇಕೆಂಬ ನಮ್ಮ ಆಸೆಗೆ ತಮ್ಮ ಈ ಸಹಾಯವು ಸಹಕರಿಸಲಿದೆ.

ತಾವು ನೀಡಿದ ದೇಣಿಗೆಯ ಒಂದೊಂದು ರೂಪಾಯಿಯೂ ಸದ್ವಿನಿಯೋಗಗೊಳಿಸುವುದಾಗಿ ಈ ಮೂಲಕ ತಮಗೆ ಭರವಸೆ ನೀಡುತ್ತೇವೆ. ತಮ್ಮ ಸಹಾಯ ಸಹಕಾರಗಳು ನಿರಂತರವಾಗಿ ನಮಗೆ ದೊರೆಯುವಂತಾಗಲಿ. ಸ್ಕೌಟ್ಸ್ ಗೈಡ್ಸ್ ಕನ್ನಡ ಭವನ ನಿರ್ಮಾಣಕ್ಕಾಗಿ ತಾವು ಒಟ್ಟು ರೂ.12,725/-ವನ್ನು ದೇಣಿಗೆಯಾಗಿ ನೀಡಿರುತ್ತೀರಿ. ಈ ಸಂಬಂಧ ಸ್ಮರಣಸಂಚಿಕೆಯಲ್ಲಿ ಹೆಸರನ್ನು ಪ್ರಕಟಿಸುವುದು ಎಂಬ ಘೋಷನಾನ್ನು ತಮ್ಮ ಗಮನಕ್ಕೆ ತರಲು ಇಚ್ಛಿಸುತ್ತೇನೆ.

ಧನ್ಯವಾದಗಳೊಂದಿಗೆ.

ನಿಮ್ಮ ಪ್ರೀತಿಯ,

ಡಾ|| ಎಂ.ಮೋಹನ ಅಳ್ಳ

ಅಧ್ಯಕ್ಷರು
