The Head of the Department

Sir,

With the permission of Principal-AIET, NSS-AIET is organizing Blood donation camp during the first/second week of December, in association with few other clubs in AIET.

In view of this NSS volunteers will be visiting all the class rooms at your department to collect the interested blood donors' details. The count will help in inviting more than one blood bank.

It is therefore requested that permission may kindly be granted to visit the classrooms.

Thanking you

(Suresh P S)

Blood Donation Camp on 29.12.2020

Ever since the lock down announced in March 2020, the blood donation came to a grinding halt which forced many hospitals not to undertake any surgical cases that demands the blood utilization. The people suffering from the blood disorders, cancer patients and others in dire need suffered the scarcity of quality blood.

Given this circumstance, NSS and YRC units of AIET-Moodbidri organized the blood donation camp in association with the Rotary Club – Moodbidri, Alva's Rotary Blood Bank – Moodbidri, District Wenlock Hospital – Mangalore, Alva's Homoeopathic Medical College, Alva's College of Naturopathy and Yogic Sciences and NCC unit of AIET, at 'ACAR' –Main Block-AIET on 29.12.2020.

Through the altruistic act of voluntary blood donors (Staff and Students), **271** blood units were collected during this outbreak of COVID-19 pandemic. A core team of **22 volunteers** were formed to assist the smooth functioning of the blood donation camp.

Rtn. PHF. Dr. Sudeep Kumar, President, Rotary Club-Moodbidri, Dr. Sharath Kumar J, Pathologist, District Wenlock Hospital, Mangaluru. Dr. Vinay Alva, Surgeon, AHC, Moodbidri, Dr. Peter Fernandes, Principal-AIET, Mr. Abdul Gafoor, C H Medicals-Moodbidri graced the occasion with their august presence.

Outcome: The blood banks collected a total of **271 units of blood**, which might save hundreds of lives and improve the efficiency of health-care systems. Volunteers learned human values, civic awareness, social commitment, as well as their roles and responsibilities.

Academic year 2019-20

“A SEED BOMB PROGRAMME TO INCREASE GREEN COVER ACROSS MIJAR”

Now a day India is facing a major problem is Deforestation to control that we have an Idea that is Seed Bombing, we are going to implement these technique in our area to increase the Afforestation.

This activity is the outcome of the sincere efforts of all the team members along with the support of management and coordinators, technical and non- technical. Special thanks HOD Civil Dr. H Ajith Hebbar, NSS-AIET, the Principal Dr. Peter Fernandes and Managing Trustee, Mr. Vivek Alva.

OBJECTIVES

The main concern of this activity was to inform and guide the local people and individual on how far the nature conservation and how to use the seed bombs. The broad objectives of the study were as follows:

- To Increase the Afforestation.
- To assess the level of knowledge of local people about the Nature.
- Students will learn a new method for dispersing seeds that has both artistic and historical value.

REPORT ON SEED BOMBING PROGRAMME

INTRODUCTION

The Department of Civil engineering, Alva's institute in Association with NSS-AIET organised an activity to promote "Nature conservation" on 11th February 2020 through Seed Bombing programme in the mijar village. All second year students of the Department have participated in this campaign. All participants have taken oath to make and keep Nature in Good condition.

This activity will make 7000-9000 seed bombs and can be a fun and tactile way to engage students in gardening. We have used 8 variety of seeds that attract beneficial insects including: Teak, Tamarind, Indian Beech, Athi, etc. Be aware of where you spread perennial seeds or self-seeding annuals, as well as noxious weeds in your area.

Students have worked for at most 80 hours. We have tried to make efforts in working for the betterment of the society and the Nature. We at our level best have tried to contribute to the Nation in the field of Nature conservation.

ACTIVITIE STEPS

The steps we are taken in the making of seed bombs

- Students are informed to collect the different variety of tree seeds from their native place on the occasion of Diwali on November.
- After returning from holidays they prepared the seed bombs under the guidance of faculties. The process involved is: Hand mix assorted seeds, dry organic compost, and dry clay together in a large bin.
- Mist or pour a small amount of water onto the bin while continuing to mix. Spray or add just enough water so that the mixture binds together but does not stick to your hands.
- Take a pinch of the finished mixture and roll into penny-sized round balls in the palm of your hand.

- Put seed balls on a tray to completely dry in the sun for a day or two. Store in a dark, dry place or throw seed balls into the garden. Water to allow seeds to just. To prepare the seed balls it take 3 days to make 300 seed bombs per student.
- After the dry of Seed bombs, students donated the Seed bombs to society by telling the importance of nature, conservation of nature, about the seed bomb how to use the seed bomb.

CONCLUSION

This activity has brought a sense of team work, enhancement of communication skills, behavioural approach and interaction with local people towards the betterment of one aspect. We are thankful to our teachers, mentors, guidance team, staff, and helpers to be an active part of such an organised activity. To conclude with this activity played a major role for an individual to develop the nature.

OUTCOME

The program has helped students to,

1. Develop a better understanding of their local environment.
2. Reconnect with nature, increase their appreciation for their surroundings, deepen their sense of connection with nature, and inspire a spirit of environmental stewardship.
3. Work for restoring native plant habitat to preserve biodiversity.
4. Put a collective effort to nurture and sustain the living landscape for birds and other animals.

Free Health Check-up Camp - 27.02.2019

Free Health Check-up Camp was organized under the banner of NSS-AIET in association with Alva's Homoeopathic Medical College Hospital and Lions Club Thodar-Mijar with a theme of '*Heal through Homoeopathy*' which included both OPD and IPD consultations. The camp was held at Vishnumurthy Temple premises in Thodar. 86 villagers in and around Tenkamijar Gram Panchayath were benefited out of this camp. The president of Lions Club, Ln. Hussain, and members were present and supported in smooth conduction of the camp.

Location: Vishnumurthy Temple, Thodar

Time: 9.00 AM to 4.30 PM

Participants: 20 NSS volunteers

Transportation: AIET – Moodbidri

Refreshment & Lunch Sponsored by: Lions Club, Thodar-Mijar

Faculties Present: Suresh P S, Sandeep Kumar

Outcome: 86 villagers in and around Tenkamijar Gram Panchayath were benefited out of this camp. Apart from the regular health checkup the residents were made aware of health and hygiene. The volunteers understood human values, civic sense, duties and responsibilities.

Special Camp: 12.2.2018 to 18.02.2018

A special camp involving **50 NSS volunteers** was organized with an objective of understanding our community, their needs, coordination work, developing a sense of social and civic responsibility and practice the national integration and harmony. Various social outreach programs were planned during the 7 days camp viz., Road Repair (Vishnumurthy Temple access road), Cleaning Vishnu temple surroundings, Seminar on Hygiene and Health for the residents, Konaje Kallu (a tourism spot) cleaning and many more. Talks on various issues like Women & Self Employment, Personality Development, Yoga and Life, Decentralization and Panchayati Raj and Clean Environment Awareness program were also conducted during the special camp period.

Outcome: The goal of an NSS camp is to emphasise the need of integrating physical effort with intellectual pursuits, as well as the dignity of labour and self-help and is achieved. **The volunteers worked along with the villagers to repair the road of about 500 m that gives access to Vishnumurthy Temple.** That helped in developing their character, social consciousness, commitment to society, discipline, and helpful attitude towards the community. The devotees visiting the temple wholeheartedly appreciated this effort by the volunteers.

Blood Donation Camp: 16.03.2018

On 16th March 2018, the NSS and YRC UNIT of Alva's, in collaboration with KMC Hospital, Mangalore, held a Blood Donation Camp in AIET, Moodbidri, with the goal of instilling human values and duties. Dr. Sudha Bhat, KMC Hospital, Mangalore, officially opened the Blood Donation Camp. Dr. Peter Fernandes, Principal, AIET, President Rtn. Srikanth Kamath, Rotary Club Moodbidri and members presided over the inaugural function. **A core team of 28 volunteers were formed to monitor/ assist various activities throughout the event.**

A total of 247 donors who had signed up to donate blood were screened, and **175 units of blood were collected.**

Outcome: The **175 units of blood** in the stock of the blood bank would contribute to the effective functioning of the blood bank and healthcare systems, potentially saving several lives. Volunteers understood the importance of blood donation human values, civic sense, team work, duties and responsibilities.

LETTER OF APPRECIATION

On behalf of the Department of Immunohematology & Blood Transfusion, I would like to take this opportunity to express my appreciation for all the efforts from you and your team in making the Blood Donation Camp a big success at Alva's Institute of Engineering and Technology, Mijar, on 16th March 2018. Please accept our sincere thanks for such an impressive job.

The Blood Donation Camp was highly successful and helped us to collect 175 units of blood, which is very precious and helps us to save lives. The Blood Bank is grateful for outstanding support and valuable time and efforts in undertaking the organization of the blood donation camp. You can all take pride in the thought that every time a life is saved, you, through your kindness and dedication to the society were a part of it.

Thank you again for demonstrating such a genuine commitment to the community and helping our blood bank assure a safe and adequate blood supply.

Thanking you,

Dr. Sudha S Bhat,
Prof & Head Dr. SUDHA S. BHAT
Dept. Of Immunohematology & Blood Transfusion
Kasturba Hospital, Manipal.

Felicitatation to Sri Harekala Hajabba - 15.10.2016

Hajabba is a poor man who earns his livelihood by selling orange in Mangalore bus stand. He noticed many school dropouts and uneducated children in Harekala, his native place as there was no school in the village. He spent his 15 years of his savings to open a small school for those children. The school is now well known as "Hajabba School". In his speech, Hajabba recalled that he was deprived of education, which motivated him to start a school in a remote place to help such underprivileged students.

NSS UNIT OF

Blood Donation Camp - 5th Nov 2016

NSS and YRC UNIT of Alva's in association with KMC Hospital and Wenlock hospital, Mangalore had organized a Blood Donation Camp on 05.11.2016 in the premises of AIET, Moodbidri. The objective of the camp is to inculcate the human values, duties and responsibilities amongst the volunteers. The Blood Donation Camp was inaugurated by Dr. Sharath, Wenlock Hospital. **80 volunteers actively participated in the event. 72 units of blood were collected.**

Outcome: A total of **72 units** in blood banks will contribute to the health-care system's optimal functioning and may save hundreds of lives. The volunteers learned the importance of blood donation, teamwork, emotional connection, and social commitment.
